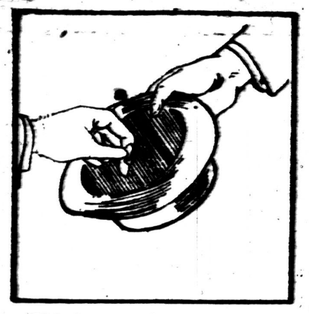
EASY TRICKS

No. 200

Selectivity



This is an easy and very effective trick and requires no skill and very little practice.

Ask half a dozen spectators to loan you half a dozen coins. Put them in a hat. Ask that one of the coins be selected and that each spectator examine it carefully and hat it then be placed in the hat. Note may be taken of the date or it may be marked.

When the coin has been placed in the hat, you will put your hand in the hat and take out the coin selected.

The secret is this: When you borrowed the coins you placed them on a mantlepiece, a stone topped table or somewhere where they will get a chance to be very slightly chilled. The coin examined by the spectators becomes warm from so much handling and you will have little difficulty in picking it out of the others in the hat.

(Clip this out and paste it, with other of the series, in a scrapbook.)

RHEUMATIC PEOPLE CAN FIND RELIEF

By Enriching Their Blood With Dr. Williams' Pink Pills.

Rheumatism attacks people when the blood is clogged with impurities, thus setting up an inflammation of the muscles and joints. Cold or wet weather may start the tortures of rheumatism, but it is not the cause, as was once supposed. The cause is thin or impure blood. Rubbing with liniments or applying hot applications may give relief, but that is all; the pains are soon back again. You must treat the trouble through the blood to get rid of it. The value of Dr. Williams' Pink Pills in cases of this kind is proved by the following statement. Miss Margaret M. Cullen, writing on behalf of her grandmother, Mrs. A. McEwen, Ormstown, Que., says:—"My grandmother, now 85 years of age, was, some years ago, a great sufferer from rheumatism. She tried many remedies, but found none that did her any good until she began using Dr. Williams' Pink Pills. These she used for some months until every trace of rheumatism disappeared. Since then she has taken the pills at intervals, and they have kept her in the best of health. It is marvellous how well and active my grandmother is. She cooked the dinner for the threshers last fall, and she gives the credit for her good health to Dr. Williams' Pink Pills. She is anxious that her experience with this splendid medicine be given for the benefit of others."

If you are suffering from any trouble due to poor or watery blood, Dr. Williams' Pink Pills will help you. Sold by medicine dealers everywhere, or sent by mail at 50 cents a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.

Insect Perils.

The famous scientist, Professor A. R. Wallace, who once asked what was the most dangerous beast he had encountered in the course of his tropical travels. Though he had roamed through the haunts of the jaguar, the peccary, and the giant anaconda, he declared that he was most afraid of the wild bee. Kipling has a story about the terror of the wild bee, when it is numbered by countless millions, which gives a graphic picture of what that danger can mean.

There are certain species of ants, both in Africa and South America, before the march of which nothing can live. The fiercest and strongest and most agile beasts must give way to them.

Though many thousands of deaths are attributed to snake bites in India every year, this mortality is slight compared with the toll taken of human life by malarial mosquitoes in various parts of the world. Had the neighborhood of the Panama Canal been infested with lions and tigers, the work would have gone on merrily, but the total mortality caused by these tiny insects defeated its first builders. South Africa has suffered from locusts a thousand times more than it ever suffered by reason of all the wild beasts within its borders.

ECZEMA

of the skin and scalp is an affliction that we have been successfully treating by mail and in our offices here for over 30 years. If afflicted, write us, describing your case fully. We also treat at Home Ringworm, Rashes, Blackheads, and other unsightly skin troubles. Superfluous Hair, Moles, Warts, etc., permanently eradicated by the only method—Electrolysis.

HERE'S WHAT PEOPLE SAY ABOUT TANLAC

"If it had not been for Tanlac I would still be a sick, discouraged woman, for nothing else seemed to do me any good," says Mrs. Edward Gibbs.

All the advertising in the world and all the sales efforts combined could not have made the great success for TANLAC that has been attained, unless this reconstructive tonic possessed merit of the greatest degree. Over 40 Million Bottles of Tanlac have been sold and the demand to-day is greater than ever before.

That TANLAC possesses merit and has brought relief to hundreds of thousands of persons is attested by the great number of testimonials that have been received by the company from people in every state of the Union and every province of Canada. There are over 100,000 such statements on file with the company, all ringing with sincere praise for TANLAC and what it has accomplished.

Here are excerpts from a few of the 100,000 statements on file:

Mrs. Edward Gibbs, Lancaster, Pa.—"For 2 years indigestion deprived me of nearly all the pleasure of living. If it had not been for TANLAC I would still be a sick and discouraged woman, for nothing else seemed to do me any good."

Mrs. Mary A. Benson, Seattle, Wash.: "Following an operation my stomach and nerves seemed to give way and I became almost helpless. As a last resort I tried TANLAC. I began to improve from the very first, gained 23 lbs., and to-day am feeling fine."

O. E. Moore, Kansas City, Mo.: "My stomach seemed to pain me constantly, food seemed to do me no good, I would bloat up with gas, lost my strength, and could not sleep or rest. I was on the down-grade all the time. Tanlac corrected my troubles and put me in excellent shape."

Thomas Lucas, Peterboro, Ontario: "Well, sir, buying TANLAC was the best investment I ever made, for it built up my health and strength to where I haven't a complaint in the world."

Mr. and Mrs. Joseph E. Kaake, Detroit, Mich.: "For more than a year our three children, age 2, 4 and 6, had been so peaked and lifeless that we were worried about them. Their stomachs were upset, appetites poor, the color had left their cheeks, their nights were restless and during the day they would just mope around, taking no interest in play or anything else. They began to improve with the first dose of TANLAC, and to-day there are no more healthy children in Detroit."

Tanlac is for sale by all good druggists. Over 40 million bottles sold. Accept no substitute.

Take Tanlac Vegetable Pills.

HEALTH EDUCATION

BY DR. J. J. MIDDLETON

Provincial Board of Health, Ontario

Dr. Middleton will be glad to answer questions on Public Health matters through this column. Address him at Spadina House, Spadina Crescent, Toronto.

Smallpox is raising its ugly head in Windsor at the present time and threatening the lives and health of the people of the Border Cities. The disease is in a virulent form, several deaths already having been reported, and many cases being of a particularly severe type.

Every effort is being put forth by the municipal and provincial authorities to check the spread of the outbreak. The Provincial Board of Health has sent down officials, nurses and vaccines and are giving every assistance possible to the local health authorities. A conference has just been held at Spadina House, Toronto, where the Health Officers of the Border Cities conferred with the Chief Officer of Health as to the best means of combating this dreadful scourge.

Vaccination of every person in the community is the only hope of stamping out the epidemic completely. As long as there are people unvaccinated so long will cases continue to develop.

Vaccination has already proved its worth. Every person who has died of smallpox in Windsor so far, has not been vaccinated. Every case of smallpox that has developed has not been vaccinated within the past twelve years.

In Windsor the original case of smallpox proved fatal. The wife of the unfortunate man has developed confluent smallpox and is still very ill. The wife's sister has died of haemorrhagic smallpox. Neither one of these had been vaccinated. On the other hand, this woman's little girl, ten years old, was vaccinated five years ago and has not contracted the disease although equally exposed to the infection. What could be plainer? Surely every unbiased person has to admit that there must be some virtue in the process of vaccination. The evidence is all in its favor.

Three cases have broken out in Amherstburg. One is an old man 85 years of age who was vaccinated over 60 years ago. His case is very mild and though he shows a few pocks is able to be up and about. The other cases were his son and his son's wife, neither one vaccinated. The wife is particularly ill with confluent smallpox and may die. The evidence is all the same, vaccination is the only sure preventative of smallpox.

Well Qualified.

Pat Potato—"So you succeeded in getting a job?"

Oliver Onion—"Yes, they wanted a strong young man!"

GUARD THE BABY AGAINST COLDS

To guard the baby against colds nothing can equal Baby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist; that the health of the little one will be good and that he will thrive and be happy. The new sales tax will not increase the price of Baby's Own Tablets, as the company pays the tax. You can still obtain the Tablets through any medicine dealer at 25 cents a box, or by mail, post paid, from The Dr. Williams' Medicine Co., Brockville, Ont.

Mosquito Plant Useful.

The virtues of basil (Ocymum viride), known as the mosquito plant, are attracting the attention of scientists in England. An army officer has given a growing plant to the botanical gardens at Kew. He obtained it in Nigeria, where, he says, it is known to drive mosquitoes from its neighborhood, and the natives use an infusion of its leaves as a cure for malarial fevers. Its virtues are known in India round the Victoria Garden in Bombay, because the workmen were pestered by mosquitoes and suffered from malaria. As soon as the hedge was completed the mosquitoes left and there was no more malaria among the workmen.

Where might is master justice is servant.

A mole can undermine the strongest rampart.

His Magnanimity.

"My hired man is a queer feller," said Farmer Fumblegate. 'He credits the cows with having more sense than he's got himself."

"That so?" replied a friend.

"Yes. At milking time he sets on a stool and waits a while for the cows to back up to him one at a time. They haven't done so yet, but he says just give 'em opportunity to think it over and they will."

Payment for articles advertised in this column should be made with Dominion Express Money Orders—a safe way of sending money by mail.

GIRLS! HAIR GROWS THICK AND BEAUTIFUL

35-Cent "Danderine" Does Wonders for Lifeless, Neglected Hair.

A gleamy mass of luxuriant hair full of gloss, lustre and life shortly follows a genuine toning up of neglected scalps with dependable "Danderine."

Falling hair, itching scalp and the dandruff is corrected immediately. Thin, dry, wispy or fading hair is quickly invigorated, taking on new strength, color and youthful beauty. "Danderine" is delightful on the hair; a refreshing, stimulating tonic — not sticky or greasy! Any druggists.

Prayer.

Farewell, fair day and fading light!
The chythorn here, with eastward sight,
Marks the huge sun now downward soar,
Farewell. We twain shall meet no more.

Farewell, I watch with bursting sigh
My late contemned occasion die,
I linger useless in my tent;
Farewell, fair day, so foully spent!
Farewell, fair day. If any God
At all consider this poor clod,
He who the fair occasion sent
Prepared and placed the impediment.

Let him diviner vengeance take—
Give me to sleep, give me to wake
Girded and shod and bid me play
The hero in the coming day.

My Bird.

I heard a bird sing, oh, so sweet,
The sweetest song I ever heard;
I could not rest, I could not sleep,
Until I had that singing bird.

I caught it, and I brought it home,
I put it in a cage to tame;
But when I had it for my own
The song of it was not the same.

What was there that I missed in it?
I could not tell—I set it free,
For now the little song of it
Could not delight the heart of me.

But once its tiny wings were free
It flew out gladly from the door;
And oh, the throbbing notes it sang
Were those that it had sung before.

—Abigail Cresson.

Mother! Give Sick Baby "California Fig Syrup"

Harmless Laxative to Clean Liver and Bowels of Baby or Child.

Even constipated, bilious, feverish, or sick, colic Babies and Children love to take genuine "California Fig Syrup." No other laxative regulates the tender little bowels so nicely. It sweetens the stomach and starts the liver and bowels acting without griping. Contains no narcotics or soothing drugs. Say "California" to your druggist and avoid counterfeits! Insist upon genuine "California Fig Syrup" which contains directions.

Pat's Wish.

Said Pat—"I wish I was half Jew and half Irish, instead of being all Irish."

"Why is that?" asked a bystandor.

"Because," explained Pat, an Irishman is always wantin' half a dollar an' a Jew always has one."

The orange was originally a pear-shaped fruit about the size of a common cherry. Its evolution is due to twelve hundred years of cultivation.

Elderly People Need More Iron in the Blood

To Give Added Strength, Vitality, and Greater Power of Resistance Against Disease.

IRON is constantly leaving the body, especially toward the period of middle age and you must make up for this iron deficiency if you want to escape disease and be strong and well. When the iron in your blood runs low, signs of old age creep into your system. If there is not enough iron circulating the blood-stream becomes thin, pale and watery, the body weak and run-down. In such cases ordinary iron-containing foods seldom supply a sufficient quantity of this important element to make up for the waste so that many physicians now prescribe a concentrated form of organic iron—Nuxated Iron—which contains iron like the iron in your blood.

Actual blood tests show that a tremendously large number of people who are weak and ill lack iron in their blood. If you are not sure of your own condition, go to your doctor and have him take your blood-count and see where you stand or else make the following test yourself:

See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. By enriching the blood and creating new red blood cells Nuxated Iron strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy and power into the whole system.

Unlike the older inorganic iron products, Nuxated Iron is easily assimilated, does not injure the teeth, make them black nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists.

Lawless Proceeding.

The teacher was giving the class a lecture on "gravity."

"Now, children," she said, "it is the law of gravity that keeps us on this earth."

"But, please, teacher," inquired one small child, "how did we stick on before the law was passed?"

Ask for Minard's and take no other.

Tactful.

The genius of a certain Arkansas editor showed itself recently when he printed the following news item in the local columns of his paper:

"Miss Beulah Blank, a Batesville belle of twenty summers, is visiting her twin brother, age thirty-two."

The longest ski slide in the world was opened recently in Sweden. It is sixty miles from end to end.

The weight of the earth is estimated to amount to 6,000,000,000,000,000,000 (six trillion) tons.

ASPIRIN

Beware of Imitations!

BAYER

Demand

Unless you see the name "Bayer Cross" on package or on tablets you are not getting the genuine Bayer Aspirin proved safe by millions and prescribed by physicians over twenty-three years for

Colds	Headache
Toothache	Lumbago
Neuritis	Rheumatism
Neuralgia	Pain, Pain

Accept "Bayer Tablets of Aspirin" only. Each unbroken package contains proven directions. Handy boxes of twelve tablets cost few cents. Druggists also sell bottles of 24 and 100. Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer Manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

For Lasting Fragrance Use Cuticura Talcum

There is nothing better than Cuticura Talcum for powdering and perfuming the skin. It appeals to the most fastidious because of its fine, smooth texture and delicate fragrance.

HELP FOR YOUNG WOMEN

Mrs. Holmberg Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Viking, Alta.—"From the time I was 15 years old I would get such sick feelings in the lower part of my abdomen, followed by cramps and vomiting. This [illegible] my work (I help my parents on the farm) as I usually had to go to bed for the rest of the day. Or at times I would have to walk the floor. I suffered in this way until a friend induced me to try Lydia E. Pinkham's Vegetable Compound. I have had very satisfactory results so far and am recommending the Vegetable Compound to my friends. I surely am glad I tried it for I feel like a different person now that I don't have these troubles."—Odelia Holmberg, Box 93, Viking, Alta.

Letters like this establish the merits of Lydia E. Pinkham's Vegetable Compound. They tell of the relief from such pains and ailments after taking it.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record of being the most successful remedy for female ills in this country, and thousands of voluntary testimonials prove this fact.

If you doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for Mrs. Pinkham's private text-book and learn more about it.
