INTERESTING LETTER TO WOOL GROWERS

Co-operative Shipment of Wool for Haldimand Growers—Date of Cap-let Loading Days

We are in receipt of the following communication from Mr. C. C. Main, Agricultural Representative, which will be of interest to a number of readers of The Record:

Cayuga, May 16, 1924.

To the Wool Growers.

Dear Sir:—Our policy of loading cars at certain centres is working out most satisfactorily, and we are loading this year at

Dunnville, Thursday, June 12, Cayuga, Friday a.m., June 13, Jarvis, Friday p.m., June 13, Hagersville, Sat. a.m., June 14, Caledonia, Sat. p.m., June 14.

Wool sacks, paper, twine and shipping tags are obtainable by writing or calling personally upon C. C. Main, Agricultural Representative, Cayuga, Ont., or Canadian Co-operative Wool Growers, Ltd., 217 Bay Street, Toronto.

In case anyone has not received wool shipping supplies before loading days, it will be quite satisfactory for them to bring the wool in loose condition to the station and we will arrange to have a supply of twine and sacks on hand for shipping the wool. In 1923, 163 wool growers in Haldimand County shipped their wool to the Canadian Co-operative Wool Growers, Ltd., and it is claimed that they are better off by \$30,000 for having done so. The Wool Growers' Association has made wool grading practicable; it has built up a good export trade in foreign countries; and altogether has made wool growing in Canada a safer and more stable business.

Sell your wool through the Co-operative Wool Growers and get the most money for it. With a cash advance and an early final settlement, together with the fact that the wool market is firm and prospects are for

good prices, it would seem advisable for a larger number of farmers to sell their wool through this company. If any wool growers in your neighborhood are not shipping their wool through the Co-operative, kindly encourage them to do so as you will be doing them a great favor.

Yours very truly,

C. C. Main,

Agricultural Representative.

INJURED BY FALLING BEAM

What might have been a very serious accident occurred on the farm of Mr. Charles Dixon, at Marburg, on Saturday afternoon last. Mr. Roy Marshall, who came to Canada from Jamaica, three years ago, and who last autumn, bought the farm of Mr. George Crosby at Marburg, had gone to Mr. Charles Dixon's to help in the taking down of an old barn. He was standing inside when a couple of the beams unexpectedly gave way. A beam struck him at the back of the hip, knocking him down. It was at first feared that his back was broken, but this proved not to be the case. According to latest reports he is doing very well.

Mr. Marshall is about 20 years of age and lives with his mother... Simcoe Reformer.

PAINTING AND DECORATING

Jackson's second floor is the busy spot these days for those in quest of wall papers, paints and everything for spring renovating. Quite aside from the fact that everyone understands this to be the leading store for these articles, the fact that this year's showing of wall papers, wall paper patterns and window shades far eclipses anything shown in previous seasons and the prices—well, you'll have a surprise—and a pleasant one, too.

REMEMBER THIS

Whether it is wall paper, window shades, draperies, rugs, picture framing, you can do better at Jackson's. The entire second floor is devoted to these lines with competent men in charge, able to help you make wise selections to suit if you don't know just what you desire.

Come in, talk it over with us.
