O. A. C. TO CELEBRATE 50 YEARS OF SERVICE

Haldimand Excursion to Guelph—Program of Interest to All

FARMERS' DAY JUNE 12

Thursday, June 12, has been set apart for the Farmers' Excursion from Haldimand County to the Semi-Centennial Celebration at the Ontario Agricultural College. A special invitation is extended to all farmers, with their wives and families, to attend the celebration.

Kindly advise either Mr. W. G. Clark, Reeve of Walpole; Frank Laidlaw, Carroll Lindsay, or Harry Lamb, if you intend going on the excursion in order that lunch will be prepared for you when you arrive at Guelph College.

Take a day off, go to Guelph and inspect the college and farm that has done so much for agriculture in Canada.

There will be lectures by leading men in animal husbandry, field husbandry, horticulture and economics, from 9 to 12. Lunch will be served in the gymnasium at noon.

The afternoon program includes a parade of College livestock and floats, field sports and baseball, while in the evening addresses will be given by Hon. Mr. Motherwell, Dr. H. N. Tory and Dr. J. H. Grisdale. The evening will be concluded by a moving picture show.

DEATH OF MRS. S. J. COBURN

Deceased Was Born in Nanticoke—Was a Sister of Timothy Stone

There passed away at Humberstone, Ont., Wednesday, May 14, 1924, Ann Elizabeth Coburn, beloved wife of S. J. Coburn, aged 59 years, 6 months and 11 days.

Death came very suddenly after a four hours illness following an epileptic stroke.

The late Mrs. Coburn was the daughter of the late Mr. and Mrs. Timothy Stone, and was born in Nanticoke, Ont. She had been a resident of Humberstone for over 30 years.

Besides her husband she is survived by one son, Lloyd, of LaSalle, N. Y.; and three daughters, Mrs. N. Lamber, Cleveland, O.; Mrs. E. Weiland, Buffalo and John Stone, Humberstone, and seven grandchildren, also two brothers, Robert Stone, of Simcoe, and Timothy Stone, of Nanticoke, and three sisters, Mrs. F. E. Knapp, Port Colborne; Mrs. T. Knapp, Ridgeway, and Mrs. Jas. E. Knapp, Port Colborne.

The funeral services will be held from her late residence, Main Street, Humberstone, on Saturday, May 17, at 2 p.m., thence to St. Paul's Lutheran church at 2:30 o'clock. Interment took place at Overholt's cemetery.

Rev. H. E. Bentler had charge of the services. Messrs. A. J. Barth, Herman Knoll, Norman Morgan, Otto Templin, William Trayner and John Woodrick acted as pallbearers.

USE BUT ONE FISH LINE

NOT MORE THAN TWO DAYS' CATCH—LICENSEE NEEDED

An order in Council amending the fisheries regulations for the Province of Ontario has been published in the Canada Gazette. The order makes it illegal for anglers to use more than one line. Except for those angling for trout, all fishermen must hold licenses from the department of game and fisheries of the Province of Ontario. The order reads: "That no one shall fish for catch or kill in any of the waters of the Province in any day by angling a greater number than eight large or small-mouthed black bass or take away at any one time a greater number than two days' legal catch."

The regulation also stated that four maskinonge will constitute one day's legal catch. No one shall catch by angling a greater number of speckled or brown trout than in the aggregate shall weigh more than ten pounds, according to the regulations. It is added to take away more than 20 pounds of trout. The order also contains new regulations regarding the size and weight of fish to be taken from certain waters and new regulations regarding net fishing on the Great Lakes.

TOTAL ECLIPSE OF SUN WILL BE VISIBLE

SCIENTISTS WILL COME TO NIAGARA DISTRICT—LAST ONE IN FOUR CENTURIES

The only eclipse of the sun visible from Toronto during the next four hundred years or so will take place next January 24, at 8 o'clock in the morning. Scientists from Toronto and New York are naturally looking forward to this day as one of the red letter days in American astronomy. They expect, however, that the weather will not be any too kind at that early hour of the morning.

Professor Chant, of Toronto University, one of the greatest authorities of astronomy in the Dominion, will watch the eclipse from the Niagara Peninsula, where the eclipse will last elaborate photographs of all the phases and on these he will spend months studying afterwards. The eclipse will barely touch New York city. Hamilton will be the most favored spot in Canada.

Hamilton, Buffalo and Coshocton are all on the centre line of the eclipse. That is to say they will obtain the best and longest views, the professor told the press in New Haven will obtain a good view also, while Toronto, Binghamton, Newburgh and New York are all just outside the centre line.

"New York will only obtain a few seconds in which to see the eclipse, while Toronto will get about three-quarters of a minute. All the cities on the centre line will nearly have two minutes."

"I will go near Niagara Falls to see the eclipse. My idea is to take pictures but it is naturally a very difficult thing to photograph such a thing just after sunrise in mid winter. I am bound to admit that the probabilities of fine weather are very slight. An eclipse of the sun is not a rare occasion but it only occurs once in every three or four hundred years in one particular part of the world. That it is unlikely that Toronto will see another for four centuries."

The great value from the point of view of an astronomer in viewing an eclipse is that it is the only possible chance he has of studying the corona.

HIGH-CLASS CONCERT BY ST. JAMES' CHOIR

The concert held last Thursday evening in the Methodist church under the auspices of the Ladies' Aid and given by the choir of St. James' church, Simcoe, was of a very high-class order and thoroughly enjoyed by all lovers of good music.

The choir, which was composed of 40 voices, was under the leadership of Mr. Marshall, who for several years has been conductor of said choir.

The program consisted of choruses, quartettes, trios, duets and solos. The numbers were all well rendered and showed the results of careful training.

The opening number, "Land of Hope and Glory," completely won the hearts of the people, giving them a foretaste of what was to follow. Mrs. A. O. Smith then gave a solo entitled "The Winds in the South." She is a talented soprano and delighted the audience with her clear voice, rich in tone and excellent range and control. Miss Kelly, contralto soloist, also sang and showed a sweet, well-trained voice. Her singing of "Wee Little Feller With His Mammy's Eyes" completely won the Jarvis audience. Mr. Edmonds, tenor, and Mr. Chadwick, baritone, also gave several solos and both were heartily cheered. The quartette, consisting of Miss Kelly, Miss Edmonds, Mr. Chadwick and Mr. Marshall, showed perfect blending of voices. In the closing number of the choir, "Saviour, Thy Children Keep," was a fitting ending to the church concert.

After the singing of the national anthem the choir was entertained by the ladies at a luncheon held in the school rooms of the church.

The proceeds of the concert were \$46.

DIES AT SANITARIUM

The death took place at the Homeopathic Sanitarium, Guelph, on Saturday, May 24, 1924, of Alice Maudie Davidson, beloved wife of Fred Wickett, in her 51st year.

The funeral was held at her late residence, Oneida, on Tuesday, May 27, and was largely attended, showing the esteem in which the deceased was held in the community.

Interment took place at Caledonia cemetery.

LIBERAL CONVENTION JUNE 4

A convention of the Liberals of Haldimand County will be held in the new Court House, Cayuga, on Wednesday, June 4th, at 8 p.m.

The convention will be addressed by W. E. N. Sinclair, K.C., M.P.P., Leader of the Opposition in the Legislature. Assembly, Toronto; Senator A. B. McCoig, Mrs. Marshall, M.P.P., and others.

H. WALKER, President of the Liberal Association of Haldimand County.

Under normal conditions the sun is so bright that it is impossible even to see the fringe. If one darkens the power of the sun by smoked glasses the fringe becomes equally dark so that it does not improve matters."

29TH ANNUAL CONVENTION

Hagersville, Oneida and North Walpole Sunday School Ass'n at Garnet

The 29th annual convention of Hagersville, Oneida and North Walpole Sunday School Association was held in the Garnet Methodist church on Thursday, May 22.

There was a very large attendance of representatives from the various Sunday Schools in the district.

After the praise and devotional service was conducted by Rev. Geo. Smithman, Mr. J. W. Biston gave an address of welcome, which was followed by the president's address.

The following gave reports of their various departments: Children's Division, Miss Grace Harvey, Secondary Division, Boys, C. F. Howard; Girls, Miss L. Christie; Adult Bible Class, Miss E. Featherstone; Home Department, Miss Cora Russell; Teacher Training, Chas. A. Campbell; Missions, Mrs. W. Mason.

Mrs. J. Thompson then favored with a solo, after which Rev. Geo. Ross, of Oneida, spoke on "Early Decision for Christ." He emphasized the fact that children of a tender age might well be appealed to, to make an earnest and definite decision for Christ. Wisdom and grace are needed by those who would work amongst them.

Rev. Jas. Drew spoke on "The Teachers and the Task." He knew of no body of workers who received such little encouragement as Sunday School teachers, and yet people expected so much of them. Too often people send their children to Sunday School to get rid of them and to have a quiet hour at home. As essential conditions for success teachers need to be interested in the work, and to have a faith in the task given them to perform. Prayer, consecration and steadfastness of purpose were the great things needed.

A very helpful conference under the guidance of Rev. W. M. Kinnawin, D. D., was then conducted, after which the meeting adjourned to partake of a bountiful supper, provided by the Garnet ladies.

The evening session opened at 7.15 with a song service led by Mr. Chas. Howard, after which Rev. J. M. White-law conducted the devotional exercises. Rev. W. T. Brown, of Jarvis, then addressed the convention on the work of "Recruiting the Teen Age Boy for Service." Quoting from an article by a teen age boy on the "Religion of a Schoolboy," he showed that boys of from 15 to 20 were interested in religion. How could they be won for the church? The work of a recruiting sergeant pointed the way. Every case must be approached from a different angle. Workers must find out what interests each boy and use that interest as an avenue of approach. Then the appeal must be made to the love of the heart, that is in every boy. We must present Jesus to them as a man's man, and finally see the boys themselves to work.

Mrs. J. E. Dingman and Mrs. R. D. Winger contributed a diet, after which the Nomination and Business Committees read their report.

Following a selection from the Stone church quartet, Dr. Kinnawin, of Hamilton, spoke on "Religious Education." He dealt with the subject in a concrete way. The work of religious education amongst the young was the highest work in any community. There were three things necessary for all good work if results were to be produced. First, good seed; then, good soil, and finally, good cultivation. God has given to us the good seed in the person of the boys and girls in our community. It is our duty to care for and nurture and if they are to attain to full growth they must be placed in the best possible environment. He appealed to the young men and women present to try and make the environment of the children as good as possible, to keep their pleasures and amusements clean so that no harm should come to the children.
