PAINTING AND DECORATING

Jackson's second floor is the busy spot these days for those in quest of wall papers, paints and everything for spring renovating. Quite aside from the fact that everyone understands this to be the leading store for these articles, is the fact that this year's showing of new draperies, wall paper patterns and window shades far eclipses anything shown in previous seasons and the prices—well, you'll have a surprise—and a pleasant one, too.

REMEMBER THIS

Whether it is wall paper, window shades, draperies, rugs or picture framing, you can do better at Jackson's. The entire second floor is devoted to these lines with competent men in charge, able to help you make wise selections to suit if you don't know just what you desire.

Come in, talk it over with us.
