OCTOBER "ROD AND GUN"

The readers of the October issue of "Rod and Gun in Canada" are introduced to the intimate haunts of the elk, the red fox and the moose. The Bugler of Crystal Mountain by Naine LeRoy Gayle is an unusually interesting biography of the elk. Bonnycastle Dale, in his best style, makes us acquainted with Sly Rey-

nard in Nova Scotia. Sure Fire Fishing on French River by J. B. Kerrott is a description of an ideal place for the sport of the angler. Bob White's Rival, a story of Hungarian partridge hunting in Alberta, by W. D. Elliot, is equally interest-

ing reading and Back to Nature, by "Nimrod II" and Surprises for Miller by Martin Hunter, are two particularly entertaining sketches. In addition to these in this well illustrated number, there are numerous other worth-while articles, and stories

and the regular contributors have packed their departments full of interesting material from first hand experience. "Rod and Gun in Canada" is published monthly by W. T. Taylor, Ltd., at Woodstock, Ont.

MCLAUGHLIN-BUICK SPECIAL SIX 25-26

THE new Special Six is a car you will enthuse over.

The Business Coupe, for instance—the smart lines, the beautiful, quiet-toned Duco finish and handsome equipment, give it an air of smartness and style that is equalled by few cars, regardless of price.

Moreover, what you would expect from a car outwardly so beautiful, will be more than fulfilled by this Coupe's performance. The 50 H.P. valve-in-head engine provides more than enough power for the hardest going in mud and sand. The sturdy chassis and cantilever springs, together with Low Pressure Tires, afford unusual driving ease and comfort—even on the roughest roads.

The increased safety of Four-Wheel Brakes adds much to the driver's peace of mind and enjoyment.

PAINTING AND DECORATING

Jackson's second floor is the busy spot these days for those in quest of wall papers, paints and everything for spring renovating. Quite aside from the fact that everyone understands this to be the leading store for these articles, is the fact that this year's showing of new draperies, wall paper patterns and window shades far eclipses anything shown in previous seasons and the prices—well, you'll have a surprise—and a pleasant one, too.

REMEMBER THIS

Whether it is wall paper, window shades, draperies, rugs or picture framing, you can do better at Jackson's. The entire second floor is devoted to these lines with competent men in charge, able to help you make wise selections to suit if you don't know just what you desire.

Come in, talk it over with us.
