LETTER TO THE EDITOR

Hamilton, Aug. 4, 1925.
 The Record,
 Jarvis, Ont.

The amount of valuable space you have given in the columns of The Record in giving information about the Nanticoke Old Boys' Reunion, is much appreciated by the committee at Nanticoke and the citizens and Old Boys generally. The publicity thus given did much to make the reunion a success and as chairman of the Old Boys Committee I wish to thank you most heartily for your generous co-operation and assistance.

There are, however, in your correspondent's report published last week some remarks which are somewhat misleading and which should be corrected lest some of your readers should get a false impression.

Your comment that some of the bills were not itemized has created a suspicion that reflects somewhat on the members of certain committees who gave very generously and willingly of their time and through whose efforts much of the success of the Reunion is due.

Mr. W. J. Saunders, the treasurer appointed for the Reunion, has itemized bills for all amounts expended and will cheerfully produce them for the scrutiny of any persons entitled to the information they contain.

When an enterprise of the kind held at Nanticoke is carried to such a successful conclusion from a financial as well as social standpoint by volunteer workers they deserve most hearty congratulations.

The charge of ten cents for parking cars was in lieu of damage to a field of clover seed in which the cars were parked, it being the desire of the committee that cars be kept out of the park as far as possible so as to leave room for the many hundreds of people that were expected.

Thanking you for this space in your columns, I am,
 A Nanticoke Old Boy,
 J. FRANK WALKER.
