Dear Mrs. Evans:

As Old Boys and Girls of Nanticoke, we have enjoyed to the full the many good things provided for our entertainment on our return to the village. We realize that upon you, as Secretary of the Reunion Committee, there fell a heavy burden of work and responsibility. That the Reunion was such an unqualified success is the best evidence of the faithful and efficient way in which you performed your very onerous duties.

Will you accept our sincerest thanks for the part you have so well and ably taken in making possible our happy foregathering with those who, in the years that are gone, were our friends and companions? And as a tangible reminder of our appreciation of the services you have so freely rendered, we beg you to accept this slight token. May you live long to enjoy and use it.

Again thanking the "Old Boys,"  
Mrs. W. H. Evans.

## LETTERS COME POURING IN

Never has the president of the Robinson Business College, Limited, of Waterford, received so many inquiries concerning Commercial, Stenographic, and Secretarial Courses as have come in his mail recently. Last year, students were in attendance from seven counties and this year promises better than that. There are several reasons for the rapidly growing popularity of the Robinson Business College at Waterford: (1) It occupies one of the most beautiful College Buildings in Ontario; (2) Its extra-curricular activities continue to accept positions in the growing numbers; (3) Its Principal always has a welcome for and a deep interest in his ex-students; (4) Its influence upon the lives of young people is decidedly wholesome and (5) Its courses are kept to the highest possible standard. Ex-High School students and teachers are especially desired for the choicest positions. Good board in Waterford at from \$3.50 to \$4.00 from Mondays to Fridays, or at from \$5.00 to \$6.00 for the full week. Telephone 95 or write the Principal, O. F. Robinson, for one of our new College Journals. Fall term opens September 1.

## SANDUSK W. I.

The Sandusk W. I. met at the home of Mrs. Cecil Werner on August 6th. The president was in the chair. Member present, 32.

The meeting was opened by singing the opening ode, followed by the Lord's Prayer. The minutes were read and adopted.

The ladies decided to follow out the proposition that has been put before us, of forming a school committee, as it was moved by Miss F. Nicol, seconded by Mrs. J. C. Bush, that Mrs. Werrmer, Mrs. F. Sternaman, Mrs. Byron Pond act as the committee to visit the school.

Our quilt was the next discussion, and it was decided to bring all blocks to the next meeting and make the quilt. Mrs. Werner, Miss Nicol, Mrs. F. Pond and Mrs. J. R. Pond donating the backing for same. Mrs. H. M. Westery kindly sent us 26 quilt blocks and Mrs. John Pond offered to have them joined together, so it was moved by Mrs. Sternaman, seconded by Mrs. B. Pond, that we accept her kind offer, the Institute to furnish the print for joining.

It was next moved by Miss F. Nicol, seconded by Mrs. Sternaman, that we present Mrs. M. Hare's (nee Nina Pond) baby with a silver baby spoon. Moved by Mrs. L. Dougherty, seconded by Mrs. F. Pond, that Mrs. H. Bradley buy the spoon.

It was moved by Mrs. C. Royce, seconded by Miss Pearl Sternaman, that Mrs. Frank Pond act on the Flower Committee.

Miss Clinch (a visitor) gave a nice talk on girls. Girls differ so much that we must all use judgment in the different ways of training. Grandmas and mothers are too willing to wait on our girls and do their mending, etc. They should be made to do such things themselves, so as to be able to assume the responsibility when necessary.

Mrs. J. Pond also gave a short talk, the privileges of girls depending on the circumstances, but every possible chance should be given them.

Mrs. Werner told of a girl left with the responsibility of home duties on her hands, and she got in the habit of buying the cake so her father decided when she was out he would make a cake himself. As you may expect from any one unexperienced, it turned out very heavy, but all the girl said when she saw it was "Who helped you get it out of the oven, Dad?" But she learnt her lesson and there was no more bought cakes. Different lessons can be taught our girls to stay with them if a method of this description is used.

The Roll Call, "My Hobby," was then answered and proved very amusing. The meeting was closed with the singing of "God Save the King."

The hostess then served a dainty lunch, and it was moved by Mrs. F. Pond and seconded by Mrs. L. Dougherty, that we give her a hearty vote of thanks for her hospitality.
