## NEGATIVE SIDE WINS DEBATE

### NANTICOKE TEAM TO REPRESENT HALDIMAND FOR THE BURNABY CUP

The second debate to decide the championship of Haldimand was held in the town hall, Nanticoke, on Friday evening, August 7th.

The Senior and Junior clubs of Cayuga were the guests of the Nanticoke True Canadian Y.P.O. on this occasion.

The subject of the debate was "Resolved, That Farm Conditions Fifty Years Ago Were More Conducive to Happiness Than Those of the Present Time."

The affirmative side, upheld by Miss Edna Best and Miss Ethel Brown, representing the Cayuga club, spoke of the spirit of the people in those days of community life and home life. They cited present day people as unsatisfied and restless. They spoke of the vain pursuit of happiness in the thrills and excitement of the present time, also of the waning influence of the church. Messrs. Harry Pratten and Carroll Lindsay, representing the negative side for Nanticoke, spoke of the longer hours and heavier work of the men and women, of the wonderful inventions of labor-saving machinery of the time, present day luxuries, of the methods of travel, treatment of diseases, educational facilities and the number of days of recreation.

Mr. C. C. Main, the Agricultural Representative for Haldimand, acting as judge and critic, gave his decision in favor of the negative side.

Nanticoke will represent Haldimand County in the provincial debating series for the Burnaby Cup.

Mrs. H. T. Laws gave an interesting ten-minute talk. The club was also favored with a solo by Mrs. Gordon Livingston of Ottawa.

Luncheon was served at the conclusion of the debate, after which an hour was spent in dancing.

## RECORD CROWD AT SELKIRK

### RAIN STOPS GAME—CALEDONIA TAKES ADVANTAGE OF TECHNICAL POINT

The baseball game between Selkirk and Caledonia played at Selkirk on August 13th, was attended by about 1000 ball fans. The game was heavily contested by both teams. There is no doubt of the result of the game if the weatherman had delayed the heavy rain storm.

The Selkirk team was in good condition and were out to win. They played only five and a half innings, the score being 4-4, Selkirk still having their half of the inning at bat when the game was called on account of the rain. The game was to be played on Friday, but the weather conditions were still unfavorable.

The play-off was at last arranged to take place on Saturday at 2 p.m. Selkirk team was on the field, but the Caledonia team failed to put in its appearance. They claimed to have won the league by points and the game on Thursday counting as a completed game. Nothing definite could be found out until it was too late to stop the large crowd which was in attendance and expected to see a good game, and Selkirk had to refund the people their money.

The general impression of the fans and the people of Haldimand County in general is that Caledonia are poor sports or they would have at least come and played the game even if it was not to be counted in the league games.

There is no doubt in the public's mind that Selkirk team were the better and deserved to win, and would have, had not Caledonia found a technical point, which they used to win the series.

Miss Carrie Andrews has tendered her resignation to the trustees of her school at Hagersville.

Mr. D. Burch and Mr. J. Hair took the road census last week. The car traffic was very light in comparison with last year on account of the road being under construction. It would seem as if it would be a good policy to have the detours made so they could be travelled on in bad weather. The tourists report that they have the detours all gravelled before the construction commences in the U.S.

There were a lot of people disappointed when they expected to go to Port Dover, but a fairly good crowd was there the next night.

Mr. Stone (east of Tyrrell) had his barn burned, also a very valuable horse, on Monday morning early.

## CIVIC HOLIDAY BIG SUCCESS

### MANY ENTER FIELD SPORTS—STREET CARNIVAL DRAWS RECORD CROWD

On Monday one of the most successful civic holidays ever held in the history of the village took place.

The field meet held under the auspices of the Junior Farmers' Club and Jarvis Agricultural Society on Monday, August 17th, proved to be a real success—each event having a goodly number of entries. A keen interest was shown in all events and good sportsmanship was prominent at all times. There were sports for everyone—young and old—from the fat man's race to the dashes for the kiddies, each bringing many a laugh.

The results were as follows:

100 yd dash—1 Harold Davidson; 2 Russell Hare; 3 Harold Brand.

Standing broad jump—1 Arthur Blight; 2 Harold Davidson; 3 Leslie Snively. Distance, 8 ft. 8 1/2 in.

Boys race (under 10)—1 Joe Anthony; 2 Hubert Saunders; 3 Ralph Fess.

Boys 3-legged race—1 Warren and Ralph Fess; 2 Joe Anthony and Hubert Saunders; 3 Harold Gardner and Emerson Honey.

The afternoon was brought to a close with a hard ball game between Jarvis and Nanticoke, the latter winning with a score of 7-6. Batteries: For Jarvis, House and Johnson; for Nanticoke, H. Lindsay and Hare. The street carnival, the first ever held in Jarvis, was the evening attraction, and proved to be an event that will linger in the minds of many for some time to come. Main Street was roped off for a block and seats were distributed along the sidewalks on both sides of the street and a refreshment booth occupied a space in front of the post office which did a record business.

Although the carnival was scheduled to start at 8 o'clock, the street seemed almost deserted at that hour. At 8:30 the masqueraders began to make their appearance, but it was not until the Port Dover aggregation of masqueraders, headed by the Port Dover band, arrived on the scene, that the real carnival spirit prevailed and from then on until midnight there was no let up to the merry-making. Never before had such a large crowd assembled on the streets of Jarvis. It is needless to go into detail of the various costumes, as they were of every description imaginable. To the Port Dover band must be given the credit for keeping things "on the hum," and they appeared never to get out of wind, much to the pleasure of the masqueraders, who also never seemed to tire of dancing or promading.

Mrs. J. J. Parsons, Mr. and Mrs. G. L. Miller, Mr. and Mrs. E. T. Carter, Mr. Mounfield of Toronto, and Mr. Walker of Hamilton, acted as judges. Their task, as can be imagined, was a difficult one, but everyone was satisfied with their decisions. Following were the prize winners: Ladies fancy costume—1 Mrs. Col. (Continued on Page 5)

## WOMEN'S INSTITUTE

### VARENCY W. I.

The August meeting of the Varence Women's Institute was held at the home of Mrs. Milo Wood, on Thursday, August 6th, at 2:30 p.m. Attendance, 35.

The meeting was opened by singing the opening ode, followed by all repeating the Lord's Prayer.

The minutes were read and approved.

Community singing, "Help Somebody Today."

We were pleased to have with us at our meeting Mrs. Peart and Mrs. Hoshal, both of Cayuga, and the Misses Walker of Nanticoke.

We were favored with an excellent program which consisted of a vocal solo by Miss Hoshal, a reading by Miss Ruth Walker, a piano solo by Miss Margaret Walker, and an address by Mrs. Peart on "Our Dominion," after which Mrs. Hoshal sang "Annie Laurie," by request.

The meeting closed by singing the National Anthem, after which a dainty lunch was served.

The September meeting will be held at the home of Mrs. Charles Buck on September 10, instead of the 3rd, on account of the C.N.E.

### JARVIS W. I.

The Jarvis W. I. held their annual picnic at the home of Mr. and Mrs. W. J. Fallis on Thursday afternoon, August 13th. Due to the unfavorable weather the attendance was not as large as expected, about 75 being present. This is certainly an ideal spot for such occasions.

Baseball was indulged in, the score being in favor of Mr. Ben Johnson's team when the rain came pouring down, and all took shelter in the house where lunch was served, every one doing ample justice to the good things and ice cream supplied by the ladies.

The races had to be cancelled on account of the wet. The people then began to wend their way home, all expressing the pleasant time they had spent and the kind hospitality of the host, hostess and family, hoping to meet again on just such an occasion.

### CARD OF THANKS

I wish to take the opportunity through the medium of The Record to thank those who so kindly and generously offered their assistance and cars to convey those to the W.I. picnic who had no ways of getting there.

M. Cullen, President.
