## Here and There

Of the 20,000 harvesters who went west this summer over Canadian Pacific lines, 14,000 are known to have returned east, according to C. B. Foster, Passenger Traffic Manager, Canadian Pacific Railway, and it is thought that many others have returned, while several others are believed to have accepted positions in the west for the winter.

An indication of the increase in the value of effects being brought into Canada by settlers from the United States is shown in the latest report to the Department of Trade and Commerce. From April 1 to September 30, effects so classified were valued at \$3,129,333, as compared with \$2,666,467 in the same period last year, an increase of \$462,872.

A feature which will add greatly to the attractions of Vancouver, B.C., as a winter resort, to say nothing of increasing its summer allurements, will be the new golf course to be laid out there at a cost of \$120,000, exclusive of land. Work on the course will commence next spring. Fees will be merely nominal, fifty cents being charged for an 18-hole round, \$2.50 for a month's play and \$20 for a year. Play will be open to any member of the public.

Immigrants entering Canada during the 12 months ending October 31, 1924, totalled 134,189, as compared with 126,744 in the corresponding period of 1922-1923, according to the Department of Immigration and Colonization. These figures are more encouraging in view of the fact that the number of Canadians emigrating to the United States has to some extent decreased, while the number returning from the United States is on the increase, according to the department.

On November 20th, Hon. Marguerite Shaughnessy, daughter of the late Lord Shaughnessy, chairman of the Canadian Pacific Railway, performed the launching and christening ceremony at the Clydebank yards of John Brown and Co. when the new Canadian Pacific S.S. Princess Marguerite, named in her honor, was slipped into the water. The Princess Marguerite is the second of the two vessels recently ordered by the Canadian Pacific for the company's British Columbia coastal service.

## FEBRUARY ROD AND GUN

Brimful of interesting reading is the February issue of "Rod and Gun in Canada," which every sportsman is sure to enjoy. The Snow Barrier by Raymond Thompson is an exciting narrative of adventure in the frozen north country. Other interesting stories and articles, including E. R. Kerr's The Migratory Birds Treaty and Cause of Decrease in Numbers of Wild Fowl, will also attract the reader's attention. The regular contributors of stories, F. V. Williams, J. W. Winsor, Bonnycastle Dale and Martin Hunter, have all lived up to the reputations they have won for themselves in their different lines of sport. And the departmental editors have their departments up to their usual standard of excellence. Published monthly by W. J. Taylor, Limited, Woodstock, Ont.

## GREAT SHOT

Sam Vance, of Tillsonburg, Ont., captain of the Canadian Olympic trap-shooting team, who is also very well known in Jarvis, won the Reading, Pennsylvania, live bird shoot, killing 48 out of a possible of 50 birds. He was given the Jacob Daubert memorial cup. Philip Miller, of Dallas, Texas, took second honors with 47; Frank Troeh, Vancouver, Wash., was third high man with 46 birds.

## DECISIONS RESPECTING NEWSPAPERS

Any person who takes a paper regularly from the post office, whether addressed in his name or another's, or whether he has subscribed or not, is responsible for payment. If a person orders his paper discontinued he must pay all arrears or the publisher may continue to send it until payment is made, and then collect the whole amount whether the paper is taken or not. The courts have decided that refusing to take newspapers or periodicals from the post office, or removing and leaving them unpaid, is prima facie evidence of intention of fraud.

## THREE OPPORTUNITIES

## How Many Objects in This Picture Start With the Letter "P"?

The above picture contains a number of objects beginning with the letter "P". Just take a good look at the picture—there are all sorts of things that begin with the letter "P"—"puppy", "pumpkin", "paddle", "purse", etc. Nothing is hidden; you don't have to turn the picture upside down. Make a list of all the objects in the picture the names of which begin with the letter "P". Have the whole family join in—see who can find the most. Don't miss any. Fifty cash prizes will be awarded for the fifty best lists of words submitted. The answer having the largest and nearest correct list of visible objects shown in the picture starting with the letter "P" will be awarded first prize; second best, second prize, etc.

## Young and Old Join in the Fun

The Mail and Empire announces to-day another puzzle game in which all can participate—from the tiniest child to grandfather and grandmother. No object is so small but that the poorest eyesight can see it. It is a test of skill. Your ability to find "P" words determines the prize you win. Right after supper this evening, gather all the members of your family together; give each of them a pencil and sheet of paper and see who can find the most "P-words". You will be surprised to find how large a list of words you can get with a few minutes' study. Sit down NOW and try it—Then, send in your list and try for the big prizes.

## Observe These Rules

1. Any man, woman or child who lives in Canada, and is not a resident of Toronto, and who is not in the employ of The Mail and Empire, or a member of an employee's family, may submit an answer.
2. Write your full name and address in the upper right hand corner. If you desire to write anything else, use a separate sheet.
3. Only one word at a time should be written on one side of the paper only, and numbered consecutively 1, 2, 3, etc.
4. Do not use hyphenated or compound words, or any words formed by the combination of two or more complete words, where each word in itself is an object.
5. Words of the same spelling can be used only once, even though used to designate different objects or actions, or in different sentences.
6. Do not use plurals, or words which are not objects or actions.
7. The answer having the largest and nearest correct list of names of visible objects and articles shown in the picture that begin with the letter "P" will be awarded First Prize, etc. Neatness, style or handwriting have no bearing upon deciding the winners.
8. Any number of people may co-operate in answering the puzzle, but only one prize will be awarded to any one household; nor will prizes be awarded to members of one group where two or more have been working together.
9. In the event of a tie for any prize offered, the first answer of each prize will be awarded to each participant.
10. Subscriptions (both new and renewal), payable in advance of prize, by mail or by carrier, or \$5.00 per year delivered by carrier boy in Hamilton, or \$6.00 per year delivered by carrier boy in
