JULY "ROD AND GUN"

Bright stories and articles appropriate to the summer months feature the July number of "Rod and Gun in Canada," a typically seasonal story being the first one in the issue. From Fort Francis to Windigo, by M. Martin McVey, which is an interesting account of a canoe trip in the Rainy River district. Fishing is a prominent pastime of the season, and for the lover of the angle, there is a heap of good reading material in the regular Fishing Notes by Robert Page Lincoln and a Dissertation on Angling of great merit by D. King Hazen.

Among the stories is one from the well known pen of H. Mortimer Batten, a nature story called The Nomads of Aura Lake. The regular departments by Bonnycastle Dale, F. V. Williams, Martin Hunter, J. W. Winslow and Guns and Ammunition by C. S. Landis show their usual high standard. Outdoor Talk contains many useful wrinkles for the camper, and the Kennel Department is a full and comprehensive one.

Stop those roof leaks—

It's sound economy to make the most of what you have. Here are two Barrett Specialties that stop leaks—give new life to old roofs.

Barrett Liquid Elastigum, a compound of heavy, waterproofing material and asbestos fibres, provides a thick, durable weather-surface—makes the old roof lastingly storm-proof.

Barrett Plastic Elastigum, the "waterproof cement of a hundred uses," stops roof-leaks—repairs flashings, gutters, etc.—and sticks tenaciously to any sort of surface.

Barrett ELASTIGUMS

From long experience, we unhesitatingly recommend these two Barrett Products. Both come ready for use. Low in cost, they will save you expensive roof-repairs later on.

If it's a question of roofs come in and ask us.
