The first lot of buffalo, numbering some 200, to be transferred from the Wainwright Park to the new Buffalo Park, north of Edmonton, left Wainwright, Alberta, recently. For some time past the herd at Wainwright had been growing too rapidly and the Federal authorities decided to ship a number to the Buffalo Park to determine whether or not they can acclimate themselves in the new district as they did in the southern area. Altogether two thousand buffalo, in lots of two hundred each, will be shipped to the Buffalo Park.

Now is the time to get busy for the Jarvis Fall Fair.

**AUGUST ROD AND GUN**

In addition to a full quota of unusually interesting stories and articles, the August number of "Rod and Gun in Canada," the Canadian sportsman's magazine, contains a wealth of information for the outdoorsman, the fisherman and the gun crank in the regular articles and full synopses of the hunting and fishing seasons and laws for the province of Canada and Newfoundland. It also includes the announcement of the annual amateur photographic contest in which \$700 in prizes is being awarded.

Among the stories of general sporting interest, Basswood Lake to Windigo, an account of a canoe trip, which while it recounts the second part of the voyage, is a complete story, written in a swinging narrative. Side lights of Nipigon tells of trout fishing and is written by Ozark Ripley, who wields a rod even better than a very finished pen. Judge A. B. Cohn of Toledo, O., is enthusiastic over Canada as a sportsman's paradise in recounting his moose hunting experiences at Temiskaming under the caption A Judge Goes Hunting. Other articles equally good contribute to make the issue a highly attractive one.

"Rod and Gun in Canada" is published monthly by W. J. Taylor, Ltd., Woodstock, Ont.

**Here and There**

During July thousands of osteopaths and members of allied professions gathered in Toronto from all parts of the United States and Canada to attend the International Convention of Osteopaths. Several of the visitors toured the country in the interests of osteopathy.

Final figures showing the total live lobster catch on the Nova Scotia coast, for the season ending June 1st, show a total of 2,588,000 lbs. valued at \$1,204,143, an increase over the 1924 season of 2,007,400 lbs. in quantity and approximately half a million dollars in value.

During his tour of Western Canada over the Canadian Pacific Lines, Field Marshal Earl Haig was received on all sides by cheering and enthusiastic crowds. At towns in northern Ontario and elsewhere he shook hands and exchanged reminiscences with local on-service men, many of whom he recognized.

Having concluded his visit to the Pacific Coast, His Excellency Lord Byng, Governor-General of Canada, has returned East. Before leaving the West His Excellency stopped off for a few days at Banff to meet Earl Haig, and the two famous soldiers spent some time together talking over old times.

Considerable interest has been aroused in London, England, over the arrival there of 2,600 young blooms for exhibition in the Canadian Pacific pavilion at Wembley. The pinks were given by W. Geminien Bay of Montreal, and have been sent to England to depict the belief that Canada's climate is excessively cold.

A delegation of prominent newspaper proprietors and journalists from Great Britain passed through Canada recently on their way to attend the Third Imperial Press Conference to be held at Melbourne, Australia, during September. Besides the delegates from the British Isles, representatives of Canada and the other Dominions have been invited and will attend the conference.

Two automobile accidents occurred in Montreal over the week-end at railway crossings, in both of which it was proven that the car struck the train. In the first accident the car ran into the first car behind the engine and in the second struck the side of the engine itself. Public attention has been directed to these accidents as illustrative of the results of negligent driving.

Early in July a party of one hundred French-Canadians associated with the University of Montreal departed from Windsor station on a three-weeks educational tour of the country under the auspices of the University. Mayor Duquette of Montreal, Monsignor A. V. J. Pietta, rector of the University and Professor E. Montpetit one of his associates accompanied the party. They were seen off at the station by E. W. Beatty, K.C., chairman and president of the Canadian Pacific Railway and other officials.

A similar excursion to the above left Toronto, July 20th, for the benefit of English speaking school-teachers. This tour, also lasting three weeks and covering all principal points of the Dominion was conducted by Dean Sinclair.

**EVANS-LYON**

A pretty wedding was solemnized in St. Philip's Church, Weston, on Tuesday evening, July 14th, when Dorothy Marian, daughter of Mr. and Mrs. George Malarly Lyon of Weston, was married to Mr. Cornelius Frederick Evans of Hagersville, Ont.

The church was very effectively decorated with summer flowers, daisies and ferns. The ceremony was conducted by Rev. Edward Morley, assisted by Rev. Frederick Robertson, rector of St. Philip's Church. The bride, who was given in marriage by her father, looked charming in an exquisite gown of white crepe satin with Chantilly lace and diamante and seed-pearl trimmings. Her long tulle veil was held with a band of orange blossoms, and she carried a shower bouquet of Ophelia roses and baby's breath. She was attended by her sister, Mrs. G. Howard Gray, as matron of honor. The groom was supported by his brother, Mrs. Craig Evans, of Guelph. The ushers were Mr. C. Macdonald Lyon of Toronto, and Mr. Laurence S. Lyon, brothers of the bride. The wedding music was played by Mr. A. Curry Wilson of Toronto, and during the signing of the register Mrs. Joseph A. Fonyo of Chicago, sister of the bride, sang. After the ceremony a reception was held at the home of the bride's parents, when Mrs. Lyon, mother of the bride, received in black crepe satin with touches of black and white. Later Mr. and Mrs. Evans left for the northern lakes, the bride wearing an ensemble of navy blue silk faille with tan trimmings, and hat and shoes to match, and brown fox fur. After their return they will reside in New York City.
