PERSONAL NOTES

(Continued from Page 1)

Based on Friday last was greatly appreciated. The weather was again threatening and no doubt a larger audience would have been present.

Mr. and Mrs. W. W. Hoebel had as their guests on Sunday: Harvey Evans and sister, Miss Lily, of Nanticoke; Miss E. Clark, of Hagersville; Miss Leta Werner, Miss Mildred Walker, Russell and George Walker, of Sarnia.

The 35th annual convention of the District of Jarvis and South Walpole Religious Education Council will be held in the Jarvis Methodist church on Monday, June 22nd. Rev. W. S. Daniels, of Mt. Hope, will address the gathering.

Mr. and Mrs. Harold Harrison, of Detroit, arrived on Friday last to visit with the latter's parents, Mr. and Mrs. J. Harrison. Harold left on Monday for his home and his wife will leave today for Buffalo to visit with relatives before her return to Detroit.

Still Enderly, who was seriously injured on the farm of Theo. Reynolds, Varencoy, is improving rapidly under the care of Dr. Sutherland. Enderly was driving a manure spreader when the team bolted, throwing him out of the wagon and we understand, that one of the rear wheels passed over his body.

Warren Jonson's house, a few miles north of the village, was partially destroyed by fire on Friday. Mr. and Mrs. Jonson were at the time on their way to Hagersville. The fire was discovered by neighbors, who hurried to the scene and aided materially in saving the entire building from destruction.

Dr. H. T. McLachlan returned home on Friday of last week after spending several days in Toronto, where he was attending the annual convention of the Dentists Association. Dr. McLachlan was present at all sessions and is particularly interested in the diagnosis and work in connection with the care and prevention of Pyorrhea and he reports that much valuable information was given to those attending this convention.
