A HOME IS MORE THAN A HOUSE AND A GOOD REFRIGERATOR IS MORE THAN A CASE WITH A LINING.

A very cheap thing can be put together and called a refrigerator, and it is a crying shame how many such things are sold to people who wonder why ice melts away so fast-why the milk and other food will not keep. Buy a good Refrigerator if you want to save the family's Health. Buy a good Refrigerator if you want to save Ice. The B-A-R-N-E-T is true and tried.
