## BEE-KEEPERS TO HOLD FIELD DAY ON JULY 1ST

### THE BEE-KEEPERS OF HALDIMAND MEET

Haldimand and Norfolk Bee-keepers To Hold Field Day on July 1st at Hodgson's Apiary, Jarvis

On Thursday afternoon, April 30, at the town hall, Cayuga, the bee-keepers of Haldimand County met in annual convention. The attendance was fair and a good deal of enthusiasm was shown. The president, Karl Hartwick, of Fisherville, occupied the chair. Wm. Atkinson, of Selkirk, refused to continue as secretary. A hearty vote of thanks was voted him and under protest something for services.

A long discussion took place as to the best method to get united action by bee-keepers in the county. It was decided that every bee-keeper ought to assist unsolicited, but upon the officers rested the heavy duty of action and that the kindly co-operation of the county press would assist much.

The old officers declining to act, the following were elected: C. A. Erwin, Dunnville, President; Karl Hartwick, Fisherville, Vice President; R. F. Holtermann, Hagersville, Sec. Treasurer. Representatives: Canboro, E. R. Bayer, RR 1, Attercliffe Stn.; Rainham, Karl Hartwick, Fisherville; Moulton, John F. Horrie, Dunnville; Dunn, Geo. Brown, Dunnville; Seneca, G. S. Binnie, Canfield; Onida, Geo. Overland, Caledonia; Walpole, Wm. Atkinson, Selkirk; Geo. Gowen, Hagersville.

It was decided to co-operate with Norfolk County to have a Field Day on July 1st, at the apiary of Hodgson Bros., Jarvis.

It was moved by R. F. Holtermann and seconded by Karl Hartwick, that the Hon. John Martin, Minister of Agriculture, be requested to have all bees inspected in the counties of Haldimand and Norfolk.

### NORFOLK MAIL CARRIERS ASSOCIATION FORMED

On Monday evening, April 27th, the local mail carriers of Norfolk met in Simcoe for the purpose of forming a Mail Carriers Association.

The following points were discussed:—That carriers should be given all legal holidays. A higher rate of pay according to increased revenue on 3rd class matter, parcel post, etc. Abolishing of the tender system. Direct co-operation between carriers and post office department. Complaints to be taken up by association. Committee for local examination with results submitted to district department.

Officers were elected as follows:—President, Major D. Burch, Simcoe; Vice-Pres., Mr. Bartling, Delhi; Sec. Treas., N. Pullen, Simcoe. Additional members of Executive: P. E. Wilson, A. B. Fick, D. Ewing, Mr. Wroonman and Mr. Montgomery.

At this meeting it was suggested that other counties be urged to organize along similar lines, having in view the ultimate formation of a Dominion-wide organization. The secretary was instructed to furnish information to, or receive suggestions from other counties. Another meeting is to be held in the near future.—B. Canadian.

### NEW HORROR IN THEFT

Two jolly bandits undertook, and quite successfully, to rob a grocer in New York City. They employed novel methods. Instead of the hackneyed command: "Hands up!" they shouted "Pants off!" and that is exactly what they enforced.

Pantless clerks stood trembling and embarrassed, more helpless than if they merely had hands raised. The robbers had their victims at an awful disadvantage. Pantless men even hesitate to shout for help.

There is a growing seriousness in this matter. Robbery with firearms is bad enough; it incurs the death penalty in some places, but what of the added enormity of robbery of pantless victims?

### REGAH THEATRE

#### "PETER PAN"

Modern Fairy Story of a Boy Who Wouldn't Grow Up

J. M. Barrie has been for a quarter of a century one of the best-loved and most widely-read literary men in the world — and his greatest work, by far, is "Peter Pan," which Herbert Brenon produced for Paramount with Betty Bronson in the title role, Ernest Brenon playing Captain Hook. Mary Brian in the role of Wendy and an ideal cast of players in support.

Herbert Brenon first won screen fame as the producer of the screen's first two fantasies, so he was the logical choice to direct Barrie's masterpiece. Willis Goldbeck made the adaptation.

The story of the play, which will be shown at the Regah Theatre on May 12th and 13th, is one of a boy who wouldn't grow up—a story of happiness, of youthful romance, of imagination and love. It is primarily a fairy story, but it is a fairy story such as a child might conceive it and it is all mixed up with the best of an every-day middle class home.

What child would not be thrilled to have a bright boy of twelve or so come through the nursery window at night and tell him stories of the Never Never Land. And what child would not be joyous at the prospect of being taught to fly and carried away to that beautiful fairy land, the land of our childish dreams, the place where everything is wonderful.

In "Peter Pan," fans can let themselves go with joyous abandon and revel in fairies and Indians, pirates and all the charming crew of colorful characters of their youth.

"Peter Pan" is filled with drama. It is drama of the kind which has the quality of eeriness, a touch of the supernatural. It takes one out of a worldly frame of mind, makes him a child again and entertains as nothing has ever entertained before.

Betty Bronson, selected by Barrie himself to play Peter Pan, is truly a new star. She is boyish charm, grace and joy personified. You're going to hear more of her later.

### SUPERIOR PENMANSHIP

Out of about fifty applicants of the Robinson Business College, Waterloo, submitting specimens of their penmanship to Canada's premier writer, A. F. Spott of the Commercial Text Book Co., Toronto, twelve were given Certificates (for satisfactory progress). Twenty-five were granted Spott's Writing Awards (for strong, graceful business writing). Three were awarded Spott's Writing Diploma (for very superior penmanship). The Robinson College is known far and wide as exponents of high-class penmanship and they have two expert men on their Waterloo staff. Another of the recent graduates, D. Orlo Gould, Vanessa, has just been selected a stenographer with the Main office of the Union Bank, Hamilton. If interested in a business education get your name on our mailing list.

O. U. Robinson, Principal.

### CHURCH NOTES

#### WESLEY METHODIST

The fourth quarterly official board meeting was held in the Sunday School room on Monday night of this week. Reports from the different departments showed the church in a most flourishing condition. After all financial obligations are met there is a nice balance on the right side of the ledger. A little over \$5,000 for all purposes have been raised by our people on the circuit during the conference year which closes the 1st of May. More than 50 persons have joined our churches and have come into fellowship with us during the year. The pastor's salary has been advanced over the past year by \$250 and all has been paid. Our people are most liberal givers. The two Ladies Aids have raised more than \$1000 in their own departments, while the Missionary Society never raised as much money in one year before.

The services on Sunday next, May 10th, promise to be very interesting. It is Mother's Day. A special mother's choir will lead in the singing. The morning service will largely be devoted to the interests of the children; while in the evening the pastor will preach a sermon to the Mothers. Please wear a flower in honor of Mother. Come and hear these mothers sing, it will do you good.

#### KNOX PRESBYTERIAN

Mother's Day—that great day of remembrance—falls on next Sunday, the 10th inst. In company, therefore, with every other church throughout the Dominion, Knox church will celebrate that day. An anniversary, the choir at both services will be a mothers' choir, and appropriate hymns and music will be rendered.

Every loyal son and daughter should be present at these services to pay their homage of respect and love to the one who did so much for them.

### MEETING LARGELY ATTENDED

A very large attendance marked the last regular meeting of the Nanticoke True Canadian Y. P. O. Club held in the town hall on Friday evening, April 17.

After the usual business discussion, the social part of the evening consisted of the following numbers: Community singing, a selection by the male quartette, a duet by Miss Ethel and Miss Gladys Lindsay, a recitation by Allan Douglas, the reading of the "Eye Opener" by Leighton Seaton, and the reading of interesting newspaper clippings by Miss Stella Pratten.

After the program, luncheon was served, and the evening's entertainment concluded with cards and dancing.

The feature of the next meeting, May 15th, will be the staging of a debate "Resolved That the Pioneer Woman Contributed More to the Welfare of the Home and the Community Than Does the Modern Woman." The affirmative side will be upheld by Miss Minnie Gamble and Miss Jean Oakes; Miss Hazel Ward and Miss Kathleen Snowden will support the negative side.

### COMMITTED TO ASYLUM

Mrs. Nellie Gilbertson, of Hagersville, who was examined as to her mental fitness, has been committed to Hamilton Asylum. Mrs. Gilbertson was acquired a few months ago of having poisoned her husband.

### SHEEP DIPPING TANKS

If arrangements can be made, it is the intention of the Agricultural Representative to install ten dipping tanks in the county. These tanks are built of cement and require five bags of cement and a yard and a half of good sharp gravel for their construction. The forms and directions for the work are supplied free by the department. All other expenses are born by the parties interested. The approximate cost of the tank would possibly not be more than \$10 or \$12.

The tank will be installed in any community where farmers will guarantee at least two hundred sheep will be dipped in the community tank.

Those interested in having sheep dipping tanks installed, should send their name to the Agricultural Office at Cayuga at an early date and if favorable final arrangements are made for the installation of these tanks, you will be notified of more particulars.

### BLOSSOM WEEK

"Blossom Week" will be observed in the Niagara District from Burlington to Niagara Falls during the week of May 17th to 24th.

The Chambers of Commerce of Hamilton, Grimsby, Beamsville, St. Catharines and Niagara Falls, and the Ontario Department of Agriculture are co-operating for the purpose of conducting parties through the Niagara District during "Blossom Week." The motor trip should include the Memorial Grounds at Stoney Creek, the Vineland Experimental Station and Brock's Monument. It will be only a pleasure for any party to take a trip to this famous district and see the Niagara Peninsula in all its glory during this blossoming period.

A special invitation has been received from Mr. W. G. Marritt, Agricultural Representative at Hamilton, stating that his office will be glad to co-operate in conducting parties through the district.

Anyone successful in organizing a party and wishing to have the Agricultural Office at Hamilton render assistance in conducting your tour through the Niagara District, are asked to write to Mr. W. G. Marritt and advise him the day and time you intend taking the trip.

Proceeds in aid of Jarvis Agricultural Society. Full particulars next week.

ORR. WILLIAMSON, Pres.

### CO-OPERATIVE SHEP- MENT OF WOOL

Arrangements have been made with the Canadian Co-operative Wool Growers to load cars of wool at Dunnville, Thursday, May 28th; Cayuga, Friday a.m., May 29th; Jarvis, Friday p.m., May 29th; Hagersville, Sat. a.m., May 30th; Caledonia, Sat. p.m., May 30th.

Please note that wool is being shipped from the county in car lots at least two weeks earlier than last year; therefore farmers who intend to ship their wool co-operatively should plan to have their sheep shorn at an earlier date. If you require any wool shipping supplies such as sacks, twine, etc., please write to the Agricultural Office at Cayuga and your supply will be sent promptly by mail.

It may be of interest to the public to know that the amount of wool shipped to the Co-operative from Haldimand County in 1924 was over 22,000 pounds, as increase of 15,000 pounds over 1923. This speaks volumes for the satisfaction which the Co-operative Wool Growers are giving the sheep owners. Already we have a large number of new shippers and are hoping that the list will gradually be increased, as we believe the co-operative method of marketing wool is the best means of disposing of wool at the most favorable prices.

### ERIE HOTEL SOLD — STOCK STRONG AT 4.25

The Erie Hotel has been sold by the Port Dover Hotels Co., Limited, to a syndicate in Erie, Pa., and now placing stock on the market, which, we understand, is being eagerly taken up.

Aeroplanes and a ferry service are among the new features to be introduced by the new owners. It is taken for granted, after a glance at the line of advertising and publicity given the new project by the stock salesmen in Erie, that the company will apply for a license to sell the new Ferguson b.c.w.—Pt. Dover Maple Leaf.

### FIELD CROP COMPETITION

The Jarvis Agricultural Society are conducting a Field Crop Competition in Wheat and Corn.

A number of entries are yet required to complete the new number. Prizes ranging from \$1.00 to \$5.00. Apply to G. L. Miller, Secretary.

### SHEEP EXTENSION WORK

The Dominion Live Stock Branch, through the kindness of their District Promoter, Mr. James A. Teller of Paris, co-operated with the Ontario Department of Agriculture at Cayuga in conducting demonstrations in castrating and docking of lambs in Haldimand County. These demonstrations were held from April 16th to 22nd inclusive at various points in the county. At least one demonstration was held in each township. The Reeves of the various townships very kindly co-operated in advertising the demonstrations and rendered their valuable assistance. Twelve demonstrations were held, with a total attendance of 105. The total number of lambs demonstrated on was 750.

Mr. W. S. McMullen acted as the demonstrator and did his work in a very careful and efficient manner. The idea of the demonstration was to show farmers how to do the work. Only one or two lambs in each case were operated on and then the farmers were required to do the rest. The reason for holding the demonstrations is the fact that, beginning July 15th, 1925, a cut on all buck lambs of \$2.00 per hundredweight will be effective. On Nov. 2nd, the cut will be increased to \$3.00 per hundredweight.

It will be seen that farmers who look after their sheep in a proper manner will gain considerably from a financial point of view as well as encourage the consumption of lamb. What the market wants is nicely finished ewe and wether lambs weighing not more than ninety pounds at the farm. By marketing only ewe and wether lambs of the proper weight and finish, the consuming market for this meat product will be built up and steadily expanded.

It is to be hoped that all the farmers who keep sheep will co-operate in the good work of marketing only desirable lambs. Furthermore, the buyers are ready and willing to pay more for lambs that meet the market requirements.
