PROGRESSIVES. DISINTE-GRATING

ginning of the fourteenth Parliament

three years ago has been held by J.

F. Johnson of Last Mountain. For

some time there were rumors of dis-

satisfaction in the party but it was

brought to a head in the vote on the

Budget a week ago when Mr. Johnston with 17 other Progressipes, hoted

with the Government. The Grain

Growers' Guide, of Winnipeg, organ

of the Progressive party in the West,

strongly denounced this division in

the ranks of the party on fiscal mat-

ters. This week two or three long

and spirited caucuses were held and

the final result was that Mr. Johnston

was deposed as Whip and C. W. Stew-

art (Humbolt) appointed in his place.

Mr. Johnston will retain his place in the Progressive seats in the House,

but the net result of this whole affair

has feen to show to the country the

difficulty of a third party preserving
