reason that it would be precenting the obtaining of peven tial to the carrying on of the work of public administration. That is of public admin the only effect the carrying of this amendment could have." Then near the end of his remarks he said, "It ay not have been so intended but

I would appeal to you, Mr. Speaker, as to whether that would not be the ffect, if it were passed. Believing that to be the effect and ignificance er we fni

LEGISLATIVE PROCRESS

A. Mc-8-12tp R. 1, Jarvis; Phone 4-29 6-3te er read an address, which had been Western Provinces and, to a large thanking the president for her work new Canada Grain Act will, if the

growers of the West. Then there was the third reading of changes in the Industrial Disputes Investigation Act, introduced by Hon. James Mur-dock, Minister of Labor, these changes righting some wrongs in the orig-inal legislation and bringing about some adjustments in the operation of this machinery, especially after Auditors-Mrs. Ira Evans and Miss England ruling as ultra vires of prothe action of the Privy Council of vincial rights the original measure. The House promptly passed an a-mendment of the Special War Revenue Act by Hon. James A. Robb, Acting Minister of Finance, by which the stamp tax on any cheque receipt for money paid by a bank, money creter, travellers' cheque, post office money order and postal note shall not be payable in respect of any of the said instruments if it is for an amount not exceeding \$5. An indi-cation of the continued efforts of the present Government to explore and open up new avenues of foreign trade

for Canada is shown in the first readfective favored nation trade treaties with Finland and the Netherlands.
