ROD AND GUN FOR JUNE

The June issue of "Rod and Gun in Canada" takes the form of a special Ontario Tourist number which includes the attractive features of a personal message to tourists from the Hon. G. Howard Ferguson, Premier of Ontario, and a special section setting forth the attractions of Ontario to the tourist.

The month's articles are specially selected to be appropriate to the number and provide a wealth of interesting and readable material for all field sportsmen. Dick the Bummer is a story of canoe travel in Northern Ontario; Dependable Penetration of small mouth bass. The regular feature stories are of their usual high quality and include Caravanning, Photographing and Trout on Nova Scotia's Brawling Rivers by Bonnycastle Dale, The Young Mail Carriers by Martin Hunter. In the department: W. C. Motley's Outdoor Talk is full of new wrinkles for the outdoor man, Angling Talk and Speculation is the theme for this month's Fishing Notes by Robert Pace Lincoln and deals among other things with steel rods and casting. Guns and Ammunition, The Trap and The Kennel are also of great interest to their devotees and others.
