It is pointed out that helium is a comparatively rare element in the United States

### Oil-Soaked Seagull is Rescued from Breakers by English Boy

A little lad named Derek Ford, of Golders Green, N.W., London, making holiday at Trebarwith Sands, Cornwall, rescued a seaguil which, its buffeted and drowned in the breakers, says "The London Mail." When the bird was got ashore it was a pitiable object and ravenously hungry.

After it had been hand fed with bread some petrol was obtained and the task of cleaning it was begun. This occupied several hours, and the gull, which made no attempt to fly away, has been placed in a private aviary to recurerate.

### Hondurus Settles Debt Owing to Great Britain

A despatch from Washington says:-A Honduran debt floated fifty years ago in Great Britain which was originally £5,000,000, but with compounded interest amounted to nearly £30,000,000, was settled on Thursday through an agreement signed at the British Embassy.

Honduras agreed to pay a total of £1,200,000 in semi-annual inetalments without interest over a period of thirty years. The money is to be provided by a 3 per cent. tax on all Honduran consular invoices and collected through sale of stamps, beginning Aug. 1, 1926, by the National City Bank of New York as fiscal agent.

of the new provincial buildings, Queen's Park, Toronto, now under construction.
