## COUNTY COUNCIL

(Continued from Page 5)  
on record our sincere regrets at the passing of our faithful and true friend, Mrs. Geo. P. Brown, matron of the County Home.  
The deceased having served the County in the capacity of Matron of our County Home, continuously since the establishment of the same, and had so endeared herself to both official and inmate alike, that in her death they have both lost a sincere friend, and realizing as we do the great loss sustained by the County as a whole, we can partially realize the very great loss of a wife and help-mate through life.  
We, therefore, take this opportunity of extending to our friend and Manager, Mr. Brown, our sincerest sympathy, and trust, that in this his hour of affliction, he may still be guided by his Friend and Master who rules and governs all things.  
McQuillan-Lyons—That we do now adjourn to meet on Nov. 12th 1925, at 10 a.m. Carried.

### Autumn Service on Lake Erie

Leaving Cleveland or Buffalo any evening at 9:00 (Eastern-Standard Time), the passenger arrives at the opposite end of the route a 7:30 the following morning.  
C. & E. Line Passenger Steamers will operate daily between Cleveland and Buffalo until November 15th. These comfortable steamers are heated by steam throughout, and the traveler will find this a most convenient and enjoyable mode of travel.

### NOVEMBER ROD AND GUN

The Kennel Department of the November issue of "Rod and Gun," the Canadian hunting magazine, contains a notable feature in an article on the Canadian field trials of bird dogs from the pen of A. F. Hochwalt, who may be said to be the greatest field trial authority on the American continent. The winter feature Along the Trap Line, edited by M. U. Bates, commences its season in this month's issue and contains a full synopsis of the trapping laws for the season of 1925-26 all through the Dominion.  
The first series of splendid cartoons on the humorous side of outdoor life, by the famous James Frise of Birdseye Centre fame is also a good new feature.  
The November issue might be called a hunters' number from the amount of hunting interest it contains. An Old Timer's Story of Hunting in the Rockies is a real old timer's yarn, written in a care free style that marks the man of the open and interests his fellows in Breezes from the West. A. Bryan Williams, the well known B. C. sportsman, strikes the same note that is felt in all the stories and regular features of the magazine.
