2. Prize winners in former Picture Puzzles conducted by The Mail and Empire receiving \$200.00 or more are not eligible to participate in this Puzzle.
3. All answers must be mailed by October 17th, 1925, and addressed to C. A. Montgomery, Puzzle Manager, Mail and Empire.
4. All lists of names should be written on one side of the paper only, and numbered consecutively 1, 2, 3, etc. Write your name and address in the upper right hand corner. If you desire to write anything else, use a separate sheet.
5. Only such words as appear in Webster's Dictionary will be counted. Do not use hyphenated, compound or obsolete words. Where the plural is used the singular cannot be counted, and vice versa.
6. Words of the same spelling can be used only once, even though used to designate different objects or articles. An object or article can be named only once.
7. The answer having the largest and nearest correct list of names of visible objects in the picture that begin with the letter "T" will be awarded First Prize, etc. Neatness, style or handwriting have no bearing upon deciding the winners.

11. All answers will receive the same consideration regardless of whether or not a subscription to The Mail and Empire is sent in.
12. Three prominent Toronto citizens having no connection with The Mail and Empire will be selected to act as judges to decide the winners, and participants, by sending in their answers, agree to accept the decision of the judges as final and conclusive.
13. The judges will meet on October 27th, and announcement of the Prize Winners and correct list of words will be published in The Mail and Empire as quickly thereafter as it is possible, at any rate not later than three weeks.

You Can Win \$1,000

The "T" Word Picture Puzzle Game is a campaign to increase the popularity of The Mail and Empire. It costs nothing to take part and you do not have to send in a single subscription to win a prize. If your list of "T" Words is awarded First Prize by the judges you will win \$1000.00, but if you would like to get more than \$1000.00, you are making the following special offer whereby you can win bigger cash prizes by sending ONE or TWO yearly subscriptions to The Mail and Empire.

HERE'S HOW: If your answer to the "T" Word Picture Puzzle wins First Prize and you have sent in ONE yearly subscription to The Mail and Empire, you will receive \$1000.00, but if you have sent in TWO yearly subscriptions you will receive \$2000.00, and so forth. (See second column of figures in prize list.)

Or, if your answer wins First Prize and you have sent in TWO yearly subscriptions to The Mail and Empire (new or renewal subscriptions) you will receive \$2000.00 in place of \$1000.00, instead of \$1000.00, and so forth. (See third column of figures in prize list.)

Isn't that a liberal offer? But look! We will give extra amounts on all prizes. If your answer is qualified by TWO yearly subscriptions, you will receive \$2000.00, and so forth. (See third column of figures in prize list.)

Your own subscription will count, or subscriptions when you want the paper started, and it will start promptly on that date.

This offer applies to RURAL ROUTE patrons as well as subscribers living in cities and towns. If you are already receiving The Mail and Empire, your subscription will be extended from its present expiration.
