Wednesday Night Program

While shivers and chills ran up and down the midway and through the grandstand Wednesday evening, an excellent program was carried out, the main features of which were the Simcoe Saddle Club carnival, group roadster class at the Western Fair, and solo dancing by local talent, to- and the portrait of Mr. D. Cantelon gether with acrobatic stunts by a ex-mayor of Clinton, and noted as the professonal couple. While from a spectator's point

view the lighting facilities might have been improved upon, the effort expended by local horsemen to make the night carnival, an innovation, a success, was amply rewarded. The events included riding in pairs over five jumps, the long jump and riding in costume over five jumps. The cabaret dances were cleverly executed by a group of Simcoe's most the present time, as evidenced in the
