#### The Miracle.

A delightful story comes from the Christian Medical Missions in Bagdad. In the lovely date-pain gardens of the city a thief was discovered, not long ago, rebbing one of the trees of its luscious fruit. The owner, a hasty. passionate man, promptly shot him, and the man fell from the top of a lofty paini to the ground. He was hurried away to the Christian hospital, with a bullet in his body, a broken arm and a shattered leg. On his way he begged to be put beneath a Moslem roof, even if it were a prison, rather than he left in the clutches of dogs of infidels. But as he was a criminal. his captors paid no attention to his

At the hospital they speedify put him under an anaesthetic, extracted the bullet, set his broken Hmbs, and before long he was comfortably settled on a palm-fabric cot, trussed up with dressings, but alive and likely to get well. For a long time he was very suspicious and surly and would have little to say to the missionary whenever he attempted to converse with him. But gradually he yielded to the Is Keeping the Blood Pure by kind treatment he received and one day he astonished the missionary with the remark, "This is a miracle! 'It's
