## SILVER WEDDING CELEBRATED

It is a comparatively rare thing for a man and wife to live long enough and have the joy of celebrating the 25th anniversary of their wedding. But this happiness belonged to Mr. and Mrs. Frank Jackson, who on Friday, Sept. 4th, celebrated their silver wedding anniversary at their summer home on Lake Erie, when some 80 of their relatives and friends gathered together to do them honor.

During the afternoon games were indulged in, the favorite being the throwing of horseshoes, several teams took part, the winners playing a new in each case.

An excellent supper was provided, the tables being very prettily decorated with flowers. The guests were waited on by the Misses Pearl and Carrie Jackson, daughters; Gladys Buchner, niece, and Mabel Thompson. After supper, a short but interesting program was provided by Mr. T. Butcher. At the close of the entertainment indoor games were enjoyed until a late hour.

Mr. and Mrs. Jackson were the recipients of many beautiful pieces of silver.

Among the guests were: Mr. Less Jackson, best man of 25 years ago; their son Roy Jackson, of Detroit; Mr. and Mrs. Frank Brown, of Detroit; Mr. and Mrs. Jacob Brown, Lorne and Lee Brown, Mr. and Mrs. A. C. Austin, of Hamilton; Mr. and Mrs. Wm. Buchner, Mr. and Mrs. Wesley J. Buchner, Douglas and Gordon Buchner, Mr. and Mrs. Geo. W. Buchner, Gladys and Ross Buchner, Mr. P. W. Austin, Mr. and Mrs. Frank Buchner and Kenneth, Mr. and Mrs. Wm. Hilliard and Marjorie, all of Simcoe; Mr. and Mrs. Henry Hilliard, of Victoria; Mr. and Mrs. Wm. Graham, of Cayuga; Mr. and Mrs. Walter Swick and Irwin Swick, of Canfield; Mr. and Mrs. Geo. Boughner, Mr. Geo. Boughner Sr. of Walsh; Mrs. Marshall, of Rochester, N. Y.; Mr. and Mrs. Leslie Horn, Mr. and Mrs. O. Backus, Mrs. J. K. McKenzie, of Port Dover; Mr. and Mrs. Jas. W. Jackson, Mr. and Mrs. Walter Fletcher, Rev. and Mrs. C. J. Lamb and Eleanor, Mr. and Mrs. S. A. Thompson, Miss Mabel Thompson, Mr. and Mrs. Thos. Hallam, Mr. V. C. Ward, Mr. Thos. Butcher, of Nanticoke; Mr. and Mrs. Moses Walker, of Jarvis; Mrs. Dennis, of Dunnville; Mr. and Mrs. Pretty, of Mimico.

## BIRTHS

Born—Sept. 4th, to Mr. and Mrs. David Phillips, a son.

Born—Sept. 8th, to Mr. and Mrs. Clarence Atkinson, a daughter.

Born—Sept. 9th, to Mr. and Mrs. Wm. Jepson, a daughter.

## SPRINGVALE WINS CUP

The Jarvis Soft Ball team must have been organized under an unlucky star, for after tying Springvale for 3 games and the score 0-0 in the sixth inning of the fourth game, the balloon went up when Springvale made 3 runs making the score 3-0 in favor of Springvale and thereby winning the league cup.

The opinion of the spectators who saw the last four final games, is that it was the fastest and snappiest of the season.

## WEDDING BELLS

### RIDDLE-WRIDE

A quiet, but very pretty wedding was solemnized on Saturday, August 29th, at noon at the home of Mr. and Mrs. H. A. Wride, Jarvis, Ont., when their eldest daughter, Pearl Elmira, was united in marriage to Mr. Elmo Laverne Riddle, eldest son of Mr. and Mrs. Frank Riddle of Wilsonville, Ont. Rev. W. G. Clark officiated.

The bride, who was given in marriage by her father, entered the drawingroom to the strains of "The Bridal Chorus" by Lohengrin, which was played by Miss Roma Wilson, cousin of the groom, and looked charming in a gown of ivory Liberty satin trimmed with georgette and seed crystals. She also wore the customary veil and orange blossoms and carried a shower bouquet of butterfly roses and Angel's Breath. Miss Grace Wride, of Fruitland, Ont., sister of the bride, made a very pretty bridesmaid dressed in butterfly silk crepe, carrying butterfly roses and snapdragons.

The groom was supported by his brother, Mr. Wesley Riddle.

After the ceremony a dainty lunch was served the guests by girl friends of the bride.

The groom's gift to the bride was a beautiful green gold wrist watch, to the bridesmaid and pianist, bar pins set with chip diamonds, and to the groomsmen, cufflinks.

Later Mr. and Mrs. Riddle left on an extended motor trip to Hamilton and Toronto, along the St. Lawrence and to Ottawa, the bride travelling in wood brown, basket brocade ensemble suit with hat to match. After their return they will reside at Wilsonville.

### WALDBROOK-NIXON

A very quiet wedding was solemnized on Tuesday last at Knox church manse, when Miss Mabelle Albertha Nixon, daughter of Mr. and Mrs. T. Nixon, was united in marriage to Mr. Edgar Waldbrook.

The bride who was dressed in an ensemble costume of lovat green and sand with grey trimmings, and hat to match, was attended by Miss Mary Ford, who was dressed in black satin. Mr. Freeman Nixon, brother of the bride, acted as best man.

After the wedding the happy couple left for Toronto and points west.

## DEATH OF MR. DAVID MCBURNIE

The death occurred on Monday last, September 7th, at the residence of his son-in-law, Mr. Frank Pond, Sandusky, of Mr. David McBurnie, a well-known Walpole farmer.

Mr. McBurnie, who had been ailing for some time, was a highly respected citizen, and the respect in which he was held by the community was evinced by the fact that the funeral which was held on Wednesday, 9th inst., was one of the largest ever seen in Walpole.

He was a man of kindly, genial, patient disposition, one who never failed to respond to any call for help. While he held certain definite political opinions very tenaciously, being a life long Conservative, Mr. McBurnie was free from narrowness and bigotry. An elder of Chalmers church, Walpole, for many years, he was a constant attendant at worship. He was a member of the Orange order, being treasurer of Erie Lodge, No. 128, and his quiet and unostentatious work in that respect will be very much missed.

At the funeral service the Rev. W. T. Brown paid a fitting tribute to his Christian character and worth in the community.

Mr. McBurnie is survived by his three sons, George, Charles and Wilson of Walpole, and two daughters, Mrs. Frank Pond, Sandusky, and Mrs. Will Lint, Cheapside.

The following acted as pall bearers: Messrs. Jas. Falls, W. Bigger, J. Forrest, F. Swing, W. Swing and R. Nixon.

## SMUTS OF THE WHEAT CROP

GRAT LOSS COULD BE PREVENTED BY PROPER PRECAUTION—TREATMENT

The annual loss from wheat smut in Ontario has been estimated at \$1,500,000. A great deal of this loss could be prevented if farmers would take the necessary precaution of treating their seed grain for this disease. There are two smuts attacking the wheat crop, commonly known as the Stinking Smut or Bunt and the Loose Smut or Wheat. As Stinking Smut or Bunt is the more serious, proper cleaning should be practised to remove smut balls.

Copper Carbonate Dust Treatment for Stinking Smut or Bunt

This dust should be applied at the rate of two ounces per bushel of wheat. Place the grain to be treated in a barrel or churn, about a bushel at a time. Add the required amount of copper carbonate dust and then revolve the barrel or churn until the dust is thoroughly mixed with the grain. After this treatment the grain may be bagged and sown at once. This method of applying the dust involves much time and labor if large quantities of grain are treated. Machines are now in the market, however, for applying dust rapidly to large quantities of grain.

Treatment for Stinking Smut of Wheat

Remove all smut balls by the use of a good, and properly adjusted fanning mill, or by placing the seed grain in a bushel at a time, in a tub of water and stirring. The smut balls being light will rise to the surface and can be skimmed off. When the smut balls are removed treat the seed with Formalin as follows:—Place the wheat to be treated in a pile on the barn floor and shovel it over into another pile, and as the shovelling is going on spray with a solution consisting of one part formalin and one part of water. Use this solution at the rate of one pint to 25 bushels of seed. A small quart sealer sprayer, is the best for this use. Cover the grain with sacks for 4 to 5 hours and then sow. Sacks and drill should also be treated.

Treatment for Loose Smut of Wheat

Secure the seed from fields that produced an absolutely clean crop and then take such measures as to prevent its contamination until sown.

Formalin and Bluestone seed treatment will not destroy the spores of Loose Smut of Wheat.

Use the Hot Water method.

The clean seed should be soaked for five hours in water at 63 to 72 degrees F. It should then be placed in small burlap sacks (4 quart size) and allowed to drain for a short time. It is of greatest importance that seed be treated in small lots in order that all of the grain may be quickly and uniformly brought to the desired temperature. Two tubs of water should be provided. In one tub (No. 2) the exact temperature should be maintained. The other tub (No. 1) is used for bringing the grain to the temperature of the treatment, so as not to lower the temperature in Tub No. 2 (galvanized iron tubs of 20-40 gallons capacity and kerosene double burner stoves are ample equipment). The drained sacks of seed should be plunged in Tub No. 1 for a minute, then transferred to Tub No. 2 and kept agitated while immersed at temperature of 129 degrees F. for ten minutes. Sow as soon as sufficiently dry to run through the drill. Higher temperature will destroy germination, lower temperatures not effective.

## WRECKED HAND AND CAR DISAPPEARED

While attending the exhibition at Toronto the beginning of this week, Walter Weidrick had his car stolen. They had left their car in A. Benn's garage on the farm at Springvale, and on their return home found the car missing. On further investigation it was discovered that the young lad who has been working for Mr. Benn and who was left in charge of the premises, was also missing, thus leaving a clue as to the missing car. Hamilton and London police were immediately notified, who are now working on the case.
