COUNTY COUNCIL.
(Continued from Page 4)
We consider the salary of the gaoler
should be \$800 and the salary of the
matron should be \$200 per annum,
and we recommend that a by-law be
passed fixing such salaries.
All of which is respectfully sub-
mitted.
R. S. COLTER, Chm.
Miller-McDonald—That the report
of the Special Committee re gaoler
be adopted. Carried.
Glenny-Wingfield—That the report
of the Good Roads Committee be re-
ceived and read. Carried.

REPORT OF THE GOOD
ROADS COMMITTEE
To the Warden and Members of the
County Council:
Gentlemen—Your Good Roads Com-
mittee beg leave to report as follows:
1. We have examined the pay lists
and accounts and recommend them
for payment.
2. Your committee has kept in close
touch with all work and individual
members of the committee have been
accompanying the superintendent in
the discharge of his duties. We find
on account of so much rainfall it is
necessary to give the roads more at-
tention than we anticipated and we
hope to be able to put them in fair
condition for winter and not exceed
the appropriation very seriously.
3. We recommend that the super-
intendent be instructed to erect two
checker-board signs on Road No. 17
about one mile west of Caledonia Cor-
poration line, size 6x6 ft.
Respectfully submitted.
H. E. KERN, Chm.

the Good Roads Committee be adopted
as read. Carried.
Kern-Krizer—That the report of
the Finance Committee be received
and read. Carried.

**SANTA FORGETS AIR-Traffic Rules in Hurry
TO GET TO FALLS—ARRIVES 9 A.M. SATURDAY**

Delayed at Cloud Silver-Lining by Air-Police in Traffic-Plane, and Santa Claus, poor fellow, told all about it to the little birds, and they whispered it to the Punch and Judy fellows that will accompany him. Here's what Santa Claus said: "Well, well, what do you think of that? Just because my deer were so frisky and prancing and dancing with eagerness to rush along. Just because my shining curved sled runners were polished so they slid over the bumpiest cloud without a squeak. But I'll tell you it was fun. Ha! Ha! Those deer fairly took my breath away, and the wind kept whistling in my ears—at least I thought it was the wind—till suddenly a great whirring bug flew right alongside of me—and then I knew the wind was nothing else than the Air-policeman's traffic whistle. I had been speeding. But he let me off when I told him the children were waiting for me at Simcoe. Good-bye, I'm on my way with a Punch and Judy Show to amuse you, Saturday morning from 9:30 to 11, and in the afternoon from 3 to 4 o'clock."

1926 Christmas Seals
The 1926 Christmas Seals, in aid of the Muskoka and Toronto Hospitals for Consumptives, have just been issued. These handsome seals, of different designs, are put up in assorted packets of 10, 25, 50 and 100.
The National Sanitarium Association is in need of funds to carry on the work of its hospitals in Muskoka and at Waston. Every dollar received through the sale of Christmas Seals goes for the maintenance of patients there.
Why not buy these seals in lieu of presents? Not only will you get good value in return, but your money will be made to serve a greater end, for it will go to help someone in distress.
Look for the double-headed Red Cross on every packet. None others are genuine.
By school children and bands of Scout Boys from Muskoka and at Waston. Every dollar received through the sale of Christmas Seals goes for the maintenance of patients there.
