## Handicaps Have No Effect on Sandy's Smile

Sandy is a cheerful sort of Scot  
with a ready joke and a winning smile  
although you hear his story you  
will wonder what it is that keeps him  
gay. He was a soldier in the Great  
War, where he lost an arm. Then  
he was in a carriage-making shop,  
and he knows in carriage-making, and  
who wants carriages now-a-days?  
For all that, Sandy is making good  
progress at the Muskoka Hospital for  
Consumptives, where everything is  
being done to make him well again.  
For with health Sandy says he can  
face the world with courage—and he  
will too!

Wouldn't you like to help the Mus-  
koka Hospital in such work as this?  
Your gift will be gratefully received.  
Contributions may be sent to Hon.  
W. A. Charlton, President, 223 College  
Street, Toronto 2, Ontario.
