FIRE BRIGADE HOLDS SUCCESSFUL EVENT

RECORD TURNOUT IS GREATLY APPRECIATED BY THE FIRE BRIGADE

One of the largest crowds that had assembled for some time gathered in Peacock's Hall on Tuesday evening to attend the euchre party and dance. The boys were highly pleased with the good "turn out," but regretted very much that the capacity of the hall was not sufficient to enable all who attended to take a hand in the card game.

Players from 33 tables competed for honors and those successful in the event were: Miss Edna Guiler, who captured first prize among the ladies, and Frank McSorley winning first honors among the men. The "booby" prizes fell to Miss Stuebing and F. Lampkins.

At the close of the contest, Mr. G. Bourne made a short address on behalf of the Brigade, at the conclusion of which he decorated the Chief, W. J. Elliott, with a badge of honor, a token from the members to their leader. Mr. Elliott was completely taken by surprise, but in a few well chosen words, thanked the boys for the honor and on behalf of the Brigade, offered thanks to all those who in any way had assisted in making the evening such a success.

Lunch was then served, after which the floor was cleared for dancing. Excellent music was furnished by a 3-piece orchestra composed of Mrs. Graham and son and Jack O'Donnell, who kept things on a "hum" until 3 a.m., when it was decided it was time to disperse.

FARMER SHOTS WOLF NEAR RAINHAM CENTRE

Dispatches Animal After It Had Retreated to Bush, Following Fight With Dog.

DUNVILLE, Jan. 31.—A collie dog, accompanying Ivan Sevenpiper and his team while at work at Rainham Center, 12 miles west of Dunnville, got into a fight with a wolf that lay down out of the bush near by. The wolf beat a retreat back into the bush.

Mr. Sevenpiper then procured a shotgun and waited at the edge of the bush for the return of the wolf, which was as large as a good-sized collie. The wolf came back and Mr. Sevenpiper shot it through the head. He brought the body to town and it is now on exhibition at T. G. Scott's hardware store, Canal street.

It is believed the wolf was driven out of its haunts through hunger and was in search of small prey.—London Free Press.

DISCUSS BRIDGE CASE

WALPOLE TOWNSHIP WANTS COUNTY TO TAKE IT OVER

On Wednesday of last week at Cayuga Judge Hopkins heard the application of the Township of Walpole to have the bridge over Sanduski Creek near Woodlawn taken over by the County. The statute provides that a bridge of a greater length than 300 feet in a township may, on the application of the council, be declared to be a county bridge, where (a) It is used by the inhabitants of other municipalities.

(b) It is situated on an important highway affording means of communication to several municipalities.

(c) On account of its length, and for the reasons mentioned in clauses (a) and (b), it is unjust that the burden of maintaining and repairing it should rest on the corporation of the township.

Ten years ago an application was made by the township to have this declared to be a county bridge, and Judge Boles found that the part of the road on which the bridge was situated was not a main or chief road of the township.

It is contended by the township, however, that conditions have very much changed. Since that time over 30 cottages had been built at Peacock's Point and over 20 at Woodlawn, and most of these cottages pass over the bridge in going to and from their cottages.

Mr. S. E. Lindsay, for the township, contended that the cottages were not inhabitants of the municipality when their main residence was some place else.

County Solicitor Arrell cited an English case where it was held that when a person had a residence in a city and also in the country he was an inhabitant for certain purposes of both municipalities.

It was shown by the township that a large number of picnics were held at Woodlawn, and that there was a heavy tourist traffic, and the witness for the township gave evidence to the effect that three-quarters of the traffic over this bridge, taking the cottagers, was from outside the township.

It was contended by the county that occasionally traffic by inhabitants of other municipalities was not sufficient, and that in order for the township to succeed they must show there was the habitual use of the bridge by inhabitants of other municipalities, and that the only persons who habitually used this bridge other than local residents were the cottagers, and it was contended by the county that they were inhabitants of Walpole, within the meaning of the Act.

After spending the whole day hearing the case, the Judge reserved his decision.

COUPLE CELEBRATE GOLDEN WEDDING

A very happy gathering took place on Tuesday, Jan. 26th, 1926, at the home of Mr. and Mrs. Daniel Keen, King Street East, Hagersville, to celebrate the Golden Wedding of this well known and highly respected couple.

At noon all the members of the family were present except Mrs. Garfield Buchanan of Weyburn, Sask., who intended coming until scarlet fever developed among her children. The three sons, Harvey of Walpole township, and Ernest and Leslie who are on the homestead; Mrs. Amos Porter, Mrs. Amos Swing, Mrs. Orloff Easton, Mrs. James Rutherford, Mrs. Caldwell Easton, all residents of Walpole, and Miss Annie at home in Hagersville, and their families, made up the large and thankful home circle.

A real wedding feast was enjoyed, together with a splendid bride's cake and groom's cake. In expressing the love and honor of each and all of the large family, a purse of gold was added, and a very happy afternoon was spent. In the evening a few friends sat at their bountiful table and rehearsed events in the good old days. They were remembered, too, by many personal and telephone calls and gifts and flowers.

Mr. and Mrs. Keen were born in the township of Walpole, within two miles of each other. They did not attend the same public school but were members of the Old Stone Church and Sunday School. Mr. Keen lived for 70 years on the farm on the Talbot Road where he was born, and belongs to the pioneers of the township. Mrs. Keen's maiden name was Margaret Williamson and also sprang from a fine old pioneer home. They were married on Jan. 26th, 1876, and were blessed with a family of three sons and nine daughters. One little girl died when 10 years of age and another, Mrs. Falls, passed away about 10 years ago. Rev. Thomas McGuire, Presbyterian minister of Jarvis and Walpole, performed the marriage ceremony and Henry Fleming, of Hagersville, and Mrs. Beam, a sister of the bride, also living, were the witnesses.

Mr. and Mrs. Keen are still in fairly good health. They have been residents of Hagersville for seven years and are warmly congratulated by hosts of friends.—Hagersville News.
