The unusual Sale of Blankets that begins on  
Friday at Falls Store will be held in the "Economy  
Section" of the Basement Store. They are not  
"Bargain" Blankets—nearly all are Blankets of  
the finer kinds. In the collection are some of the  
finest Wool Blankets that ever crossed the ocean.  
Prices will be much less than equal qualities have  
ever been offered. It's a rare opportunity. You  
will be glad to own some of this merchandise:

The lowest price Blankets are worth \$2.50 a  
pair, with easy price stages to single Blankets or  
"throws" that are worth \$23.50 each. See the Feb-

from the woman. She will be ex-

The mysterious case of Florence  
Heal, the 20-year-old Sarnia girl who  
disappeared under strange circum-  
stances about a year ago, and of  
whom no trace has ever been found,  
is engaging the attention of the Ku  
Klux Klan in Western Ontario, par-  
ticularly around London. A woman  
called for the girl with a false mes-  
sage, purporting to be from her brother.

Five years in Portsmouth peniten-  
tiary was meted out to W. A. Mc-  
Donald of London, following his con-  
viction on a charge of conspiring to  
rob the Bank of Montreal, and re-  
ceiving over seven thousand from the  
bank, knowing it had been stolen.

After 22 1/2 hours of continuous  
dancing of the Charleston, the three  
were stopped last night by the judg-  
es in an endurance race started in a  
Broadway dance hall, New York. All  
three had danced away the soles of  
their shoes. The last remaining girl  
had dropped out after 7 hours, 40  
minutes.

A pulp and paper mill, employing  
3,000 men and having a daily capac-  
ity of 500 tons of newsprint, will be  
built at Smoky Falls, according to a  
recent announcement. It is said it  
will cost from 12 to 15 millions.

A monster "jack rabbit" hunt is to  
be staged in Middlesex county, Ont.,  
next week, according to plans of the  
Western Ont. Fish and Game Asso-  
ciation.

An innovation in civic co-operation  
with the merchants of Woodstock was  
announced by Mayor Parker last  
week when the mayor offered a free  
supply of sand, for use in sprinkling  
over the sidewalks, in the business  
section.

**"ALFALFA. HOW AND WHY TO  
GROW IT"**

The above is the title of an ex-  
ceedingly instructive and useful little  
folder just issued by the Dominion  
Experimental Farms, and may be had  
free upon application to the Depart-  
ment of Agriculture, Ottawa, Ont.

were decided upon for members of  
the Kitchener police force.

In order that the people of Berlin  
may not be fooled as to the grade of  
their sausages, those made of the  
frozen article are to be tagged. Such  
sausages henceforth must wear a bow  
of bright yellow baby ribbon tied  
about them.

The model for Augustus John's sym-  
bolic Canadian soldier, the glory of  
the National Art Gallery at Ottawa,  
is perhaps, typical of Canadian civil-  
ian soldier shrinking from publicity.  
He is Gordon McGregor, of Owen  
Sound, as is now well known, and as  
a fact was well known on the Cana-  
dian Army sector when in 1917,  
John selected him for model service  
in his studio. He was married a few  
years after his return, but even his  
wife was unaware of this incident in  
his life, until a short time ago, while  
visiting the art gallery she came face  
to face with the portrait of her hus-  
band.

**Comfort in Any Weather**

Full protection in any weather—  
comfort in winter—snuggness  
against snow, sleet, and rain—that's  
what you enjoy when you drive the  
Chevrolet touring car!

Fine quality curtains, carefully tail-  
ored and close fitting, keep the cold  
out and warmth in. Entrance and  
exit to both seats are unhampered

with the doors.

The Chevrolet touring is the lowest-

ment on the market. It offers all the  
advantages of economical operation all  
the year around: an open car for the
