CHRAPPE

Miss Blanche Ford left this week
for Hamilton where she intends to
enter for training in the General hos-
pital. We wish her every success.
The sympathy of this community
goes out to Mr. and Mrs. W. Buck-
ley in the sad loss of their two little
sons. Little Glen, aged 18 months,
died Saturday morning. The little
fellow seemed in usual health, but was
teething very hard, and on Sunday
evening the 4-week-old baby died.
The service, which was largely at-
tended, was conducted at the house
and grave by Rev. Mr. Niell. The
beautiful little casket was covered
with floral offerings.

The Mission Circle of the United
Church met at the parsonage on Sat-
urday last. A good program was pro-
vided for the girls and the hostess
served a dainty lunch appropriate to
St. Valentine's Day.

NANTICOKE

When T. Butcher appeared on the
stage at Nanticoke on Friday night,
he said, "I am doing what no other
poet has done." He then recited 8
verses of 8-line rhyme, then changed
to 16-line rhyme. Being encored, he
replied with a 20-line rhyme. Fol-
lowing is one verse of 8-line rhyme:

I don't wish to make a sensation,
Though it may be my own salvation.
But it is a very great temptation
To boast of our good, loyal nation,
Which has never been under proba-
tion
Or asked for any annunciation
From its earliest foundation.
Which dates way back to creation.

SANDUSKY

Mrs. Deal's sale on Saturday was
well attended and good prices realized
on almost everything.

Master Cameron Nicol spent Thurs-
day night under the parental roof.
Considering the storm on Tuesday
evening of last week, the social under
the auspices of the Women's Insti-
tute was a fair success, \$26.00 being
realized.

The organized classes of the boys
and girls of Chesapeake United Church
met at the home of Russell Walker to
say good-bye to a couple of their
members, Miss Blanche Ford, who is
leaving to enter the Hamilton General
hospital to train for a nurse, and Mr.
Harold Hoebel, who leaves for Jarvis.
Each were presented with an appro-
priate address and Blanche with a
dainty little sterling pencil and chain,
and Harold with military brushes. A
very pleasant evening was spent and
the good wishes of their friends and
classmates go with them for success
in their new vocations.

Mr. and Mrs. Wm. Deal and family
are visiting with Mrs. Deal's parents.
Miss Gertrude Pardington and a
friend from Brantford visited her par-
ents on Sunday.

RENTON

Valentine's Day was quiet in this
vicinity.

Mr. and Mrs. C. Ferris gave a
party to a host of their friends one
evening last week. All had a good
time.

Mrs. D. Secord spent the week-end
at Nelles Corners with her daughter,
Mrs. John Rowntree.

Mr. Geo. Potts spent Sunday with
his brother Ambrose Potts of Lynn-
ville, who has been on the sick list.
Mr. Potts is much improved.

Miss Estella Adams, nurse in train-
ing at Crystal Beach, N.Y., and her
mother, Mrs. Margaret Adams, who
have been visiting with the former's
aunt, Mrs. Geo. Potts, have returned
to their homes.

A bunch of hiredmen are leaving
around here; their time is up. Some
are going West and other places. If
there are any young men who are
wanting jobs on farms, let us hear
from you.

Sidney Hall has left P. Collins and
gone to work in the canning plant
in Simcoe.

Remember the sale of good Jersey
cows next week at E. W. Caswell's,
Lynn Valley.

Milton Porter brought in a fine car
of western horses recently. Shipped
them to Dunnville last Saturday.

Those who were on the sick list are
improving.

Sidney Hall spent Sunday last in
Simcoe with Mr. F. Robinson.

Mr. and Mrs. W. D. Peace spent
one day last week at "East Lynn
Farm" with Mr. and Mrs. D. Secord.

The Literary Society of Mt. Zion
church has a splendid program for
Friday evening of this week. One of
the attractions is Mr. Bramhill, Agri-
cultural Representative for Norfolk,
who will be present and give a lantern
slide of agriculture and other views;
comic and a short drama. Come and
have an enjoyable evening and en-
courage the Literary Society by hav-
ing a full house.

Don't forget—there is a splendid
skating rink in the church shed, the
rink is 130 ft. by 56 ft. There have
been several hockey matches. Last
week Rockford Jack Rabbits came up
for a game with the Cotton-tails of
Mt. Zion. The locals were successful
with a score of 5 to 2. It was a

splendid game. Both teams need more
practice. There was very little com-
bination. The umpire, Mr. Geo. Dun-
can, handed out some penalties, at one
time there were three on the fence at
one time, when the Jack Rabbits tried
their best to get another goal, but
were prevented by the two that were
left on the ice. Bert Olmstead makes
a splendid goal keeper, it is next to
impossible for the puck to get past
him, and Hen Misner deals out the
beats and "hot dogs." The Society has
going to quite a big expense in pro-
viding lights. The rink is lighted with
Colman lanterns. Come out and as-
sist the society in meeting the ex-
pense. Tuesday, Thursday and Sat-
urday evenings and after each hockey
match there will be skating. The
hockey team, with a little more prac-
tice, will be able to take on all com-
ers.

Mrs. Chas. Mitchell is returning
home this week, looking much im-
proved after her operation, and Char-
lie is better from his accident while
skating at a hockey match at Sim-
coe.

Miss Carrie Andrews is spending a
few days at Bridgeburg, Buffalo and
Niagara Falls.

Mr. Wray Anderson has returned
from Detroit, where he has been work-
ing for a short time.

Clarence Blaney has purchased a
new car.

D. Burch and family spent Sunday
with Mr. and Mrs. S. Smith, of Tyr-
rell.

During the year I made two hun-

the schools of the county. I made
special visits in June to schools hav-
ing Agricultural classes. I have also
attended a number of Trustees' and
Ratepayers' meetings. I wish to
thank the County Council for their
sympathetic support and general aid
in making our schools as efficient as
possible.
