MON. J. S. MARTIN  
ADDRESSES W. I.

(Continued from Page 1)  
them of continued support. His main theme was the beautifying of country homes and told of the 1800 acres at St. Williams lately increased by 2000 more, devoted to the growing of trees, which are supplied free for ornamentation or re-forestry purposes to anyone applying. He pictured the great beauty of English homes, many of them humble cottages, and hoped to see the same in Ontario by the extension of floral culture. Reference was also made to the higher standard in living and thought of Ontario to that of European countries.  
J. L. Mitchener outlined the plans for the organization of a County Historical Society and gave a synopsis of project work under the Agricultural Representative, C. C. Main.  
The ladies of Jarvis furnished a splendid lunch at noon, after which Mrs. T. McNeill sang most acceptably.

#### LOCAL & GENERAL

(Continued from Page 1)

Mr. and Mrs. H. Cave and family and friends, of Hamilton, picnicked at Hickory Beach Park on Sunday and called on Mr. and Mrs. Wm. Macdonnell in the evening. Mr. Cave did not forget to leave instructions to have his subscription renewed, as he cannot get along without The Record.

As the disturbance grew closer, Plugg and Grizzly seized their guns, covered up their heads and went back to sleep. In a short time Grizzly secured a position for the boy on the Pony Express. While doing this work he educated himself deciphering the letters in the mail. He soon won the reputation of being a strong and silent man. His gun spoke oftener than he did. In 1849 he was promoted to bartender and Sheriff. One evening, while he was sitting peacefully in his office darning the notches on his 45, a woman's shrill cry for help pierced the air.

#### Here and There

Ike Mills, driving Brewster's famous Russian wolf hounds, won the Strongheart Trophy in the 96-mile Dog Derby race at the Banff Winter Carnival and soon after left to enter the American Dog Derby races which were held at Ashton, Idaho.

Five thousand settlers are in sight for Canada this year under the Land Settlement scheme, according to Major John Barnett, Chairman of the Soldier Settlement Board at Winnipeg. "The majority will come from Great Britain and will be prepared to take root in Canadian soil," Major Barnett said.

Word has been received at Canadian Pacific headquarters of the death of James McGown, Superintendent Engineer of British Columbia coast services. Mr. McGown was born in 1863 and entered the service of the Canadian Pacific steamships in 1891 as fourth engineer. He brought over the Canadian Pacific steamer "Princess Marguerite" from Glasgow to Vancouver last year.

An indication that big fish are migrating from the waters around Florida and Mexico to New Zealand is forecast in a special cable received recently. Zane Grey, the famous American writer, who is in New Zealand at present, caught the world's record swordfish recently. The monster weighs six hundred and eighty-five pounds and is large in proportion.

Stricken sick suddenly, Mrs. Charles Burns, wife of the president of the Carling Brewing and Malting Company, London, Ont., telephoned to Mrs. Leon, her sister-in-law, wife of the vice-president of the company, who was in Montreal with her husband. Mr. and Mrs. Leon left Montreal in a special Canadian Pacific train, which made the run to Toronto in six hours and forty-three minutes, just in time to make the connection with the regular train which leaves Toronto for London at 8.45 a.m.

Tom, Dick, Jerry and Harry, four born fighters from the fighting county of Yorkshire, England, arrived in Montreal recently on their way to W. W. Graves, United States Supreme Court Justice at Jefferson City, Mo. They are not going to the judge to be sentenced for infractions of the peace, but simply because His Honor, being from and in Missouri, wants to be shown whether it is true, as alleged, that the best Indian game cocks can only be got from Yorkshire.

Dogs, pigeons, canaries, rabbits, pedigree fowl, wild birds, gold fish, linnets, ducks, monkeys, canines, better known as guinea pigs, and parrots were among the livestock carried from Europe and the British Isles to this country and the United States by the foreign department of the Dominion Express Company during 1925, according to the yearly statement recently issued by the company. In the statement was included a total of about 1,000 racing pigeons.

Under the auspices of the St. Jean Baptiste Society, Montreal branch, a special train has been chartered from the Canadian Pacific Railway to carry a party of some five hundred members of the society to Chicago to take part in the Eucharistic Congress to be held in that city in June. During congress week will be celebrated St. Jean Baptiste Day, on June 23, under the auspices of the Patriotic Association of French-Canadians of Illinois, which will conclude with a banquet at which 1,500 guests will be present.

An important fact  
about

THIS one-piece windshield is the same construction as found on the much more expensive Fisher Body closed cars. It permits full, unobstructed vision and, when raised, perfect ventilation.

When partially raised it functions as a cowl ventilator the full width of the cowl. The windshield is raised and lowered by a few turns of a Tarnstedt regulator.

All closed models are equipped with automatic windshield wiper. A textile leather-covered steel sun visor and cowl lamps are also standard equipment.
