Motorcycle Piles Up Big Mileage in Recent Economy Test.

Witnessed by representatives of the press and members of the Richmond. Va., Motorcycle Club, a new Harley-Davidson Single recently hung up a highly impressive record for economy in fuel consumption. A strictly stock Than salvia, stiff and straight, that machine, with no previous preparation. other than the sealing of the gasoline tanks, proceeded to pile mile upon mile, until it reached a grand average

of 120.8 miles per American gallon.

Commenting on this, Walter Andrews, Toronto distributor for the Harley-Davidson line, stated: "While economy tests are very interesting and impressive, the real test of any motorcycle is in its every day constant use. Under such conditions the Harley-Davidson Single is piling up an impressive record, eighty miles to the -Ada Borden Stevens. American gallon and 100 miles to the Canadian gallon and better being the average report. Because of this, the motorcycle has found its place in modern business, and ever increasing number of stores and business establishments are installing motorcycles for rapid delivery service."

The Still. Small Voice.

The voice of common sense, as well as of conscience, is not always assertive above the strident sounds of the day's work, the importunities of social claims or business. We have to learn to listen to what our better more deliberate judgment is ready to tell us, even though it speaks in a whisper, not in a shout.

In fact, the greater, purer inspirations of our lives never come noisily They take possession of our horizons almost imperceptibly, like tides of a peaceful coast or clouds of a quiet sun-

Experienced mothers always keep lowship with noise, so the essential re-Baby's Own Tablets in the home as a finement of a nature cannot survive to function as a muscle atrophies if we never give it anything to do, if we never listen when it speaks, if we rush onward in a heedless and bellfgerent course, never pausing to listen to that most precious source of counsel that was given us when the soul was bestowed upon the body for a faithful, ifelong comradeship.

What is the use of the still, small voice that is within us if we never

Early Railways in Canada.

On April 16, 1953, the Toronto Locomotive Works completed the first locomotive built in Canada; it was named the "Toronto." On June 13, 1853, the Northern Railway was opened from Toronto to Bradford. On July 18, 1853. the Grand Trunk Railway to Portland. Railway was opened from Niagara River to Hamilton on Nov. 1, 1853. from Hamilton to London on Dec. 31, 1853; from London to Windsor, on Jan. 27. 1854; from Hamilton to Toronto, -Marion Peacock. on Dec. 3, 1855. The first passenger train went from Monereal to Toronto on Oct. 27, 1856. The railway from Port Hope to Lindsay was opened on Dec. 30, 1857. The railway from Goderich to Fort Erie was opened on May

RUN-DOWN AFTER BIRTH OF BABY

Ottawa Woman Made Strong by Taking Lydia E. Pinkham's Vegetable Compound

Ottawa, Ontario. -- "I was terribly run-down after the birth of my third baby. I had awful bearing-down pains and was afraid I had serious trouble. I was tired all the time and had no appetite. My sister-in-law is taking Lydia E. Pinkham's Vegetable Compound and cannot praise it, too highly and asked me to try it. I have had splendid results and feel fine all the time now. Any one who needs a thorough pick-me-up soon learns from me what to take."—Mrs. RENE Paquin. 320 Cumberland Street, Ottawa, Ontario.

Terrible Backache

Hamilton, Ont. - "After, my baby was born I had terrible backache and headaches. I could not do my work and felt tired from the first minute I got up. But worst of all were the pains in my sides when I moved about. I had to sit or lie down for a while afterwards. I could keep my house in order, but many things had to go undone at the time, because of my ailments. I was told by a neighbor to take Lydia E. Pinkham's Vegetable Compound, as she said it would build me up. I was relieved before I had taken the first we bought and have not had any trouble like it since."— Mrs. T. MARKLE, 115 Ferguson Ave-

nue South, Hamilton, Ontario. a

Lasted About a Year. Healed by Cuticura.

"My scalp started to get red and tchy and had a burning feeling. Later eczema broke out in the form of a rash and spread to my face and body. It was itchy all the time, and my woolen clothing made it worse. My face was disfigured, and my hair fell out and got dry. The trouble lasted about a year.

"I began using Cuticura Scap and Ointment and after using one cake of Cuticura Soap and one box of Cuticura Ointment I was healed. (Signed) Miss Alice Bickell, R. R. 5. Woodville, Ont.

Daily use of Cuticura Soap, Gint. ment and Talcum helps to prevent skin troubles.
