## FARMERS

do not be misled by statements of agents soliciting orders for wheat fertilizer. There are irresponsible agents in the neighborhood calling on farmers who claim their Acid Phosphate is better than other brands of Acid Phosphate and worth more per ton. Such statements are absolutely untrue and any agent making such statements is cheating the public. One brand of 16% Acid Phosphate is no better than any other brand of 16% Acid Phosphate.

We offer Baltimore 16% Acid Phosphate in ten lots at \$22.50 per ton off cars. Why pay more? We will have cars at Hamilton and Simcoe and where several farmers will order together we will deliver at Jarvis, Port Dover, Watford, or any other station by August 1st. We have no travellers or agents and can sell for less.

### JULY ROD AND GUN

Published for the first time, the official photographs and account of the Canadian Government Arctic Expedition of 1925 will interest readers of "Rod and Gun." The story of the trip to the ice fields with its three full pages of unusual photographs is only one of the interesting features of the July issue of "Rod and Gun," just published. Bourmont to Maniwaki is a yarn of a canoe trip in the wilds of Quebec, well told by J. Jenkins, while William T. Dalton has some good wrinkles for trappers.

Bonnycastle Dale this month tells something of the Exquisitely Furred Destroyers, namely the mink and the weasel. Fishing Notes has an interesting line-up for the anglers this month and Fishing Regulations for the current year are included in the issue. "Outdoor Talk and Ammunition with Kennel and J. W. Winsor's article on the owl are of usual high standard.

Editorially in the June issue, "Rod and Gun" takes issue with Senator Belcourt's proposed bill to further restrict the sale of firearms. The magazine raises the contention that the bill is not in the interests of Canadian sportsmen and announces its intention of fighting the proposed legislation on that ground.

"Rod and Gun" is published monthly by W. J. Taylor Limited, Woodstock, Ontario.

### AMERICAN RESIDENTS! PLEASE BE INFORMED

A bona fide tourist, who is a returning American resident, is allowed an exemption not to exceed \$100 in value of articles for personal or household use, or as souvenirs or curios, not bought on commission or intended for sale.

The above is a ruling of the Treasury Department of the U. S. Customs Service.

The Saving is Greatest on Linens, Motor Rugs, Wool Blankets of all kinds, China and Furs

A Dinner Set costing \$112 at Falls' would cost in the United States \$160 at the very least.

\$50 worth of Linen Things at Falls' would cost in the United States \$70 at the very least.

A Fur Coat costing \$250 at Falls' would cost in the United States \$350 at the very least.

A Motor Rug costing \$17 at Falls' would cost in the United States \$24 at the very least.

A pair of Wool Blankets costing \$18.50 at Falls' would cost in the U.S. \$25 at the very least.

Prices on similar lower priced merchandise in proportion.

It is surprising how quickly  
a McLaughlin Buick owner  
accepts, as a matter of course  
the dependability of his car.  
He thinks no more of setting  
off for a thousand-mile jaunt  
than he does of driving down  
town — so complete is his  
confidence in McLaughlin  
Buick's continuous performance.
