It is the original August Sale, it is not an imitation of something that has been done elsewhere. It is different in ideas and scope. It is a great and useful service to the people. It is the result of a definite thoughtful planning to give customers an opportunity to buy the best furniture to be had, and to buy it at the lower prices during August than it can be bought for in any other month. It is exactly this service that it performs, and this August it will perform that service in a greater measure and in a greater way than any previous August Sale.
