JUNE "ROD AND GUN"

In view of the increase in the pop-
ularity of Ontario and Canada gen-
erally with American tourists, the
June issue of "Rod and Gun" which
is a special Ontario Tourist Number
is particularly interesting.

All stories and articles in the num-
ber, with the exception of the regu-
lar features, deal with Ontario sport
while a personal message from the
Premier of Ontario welcomes all
tourists to the province and a special
Ontario section describes some of the
beauty, health, fishing and hunting
resorts in Ontario.

A new aspect of angling is given
in "Teh Jumbo Trout of Lake Su-
perior," possibly the gem of the table
of contents; while "Trout Fishing" is
a delightful reminiscence of the
creeks of old Ontario.

The regular gun, fishing, outdoor
and kennel departments contain spe-
cially interesting material for this
issue.

Russell's Optometrists, of Hamilton,
have taken over the practice of R.
Robertson, R.O., at Hagersville. For
further particulars see advert under
Professional Cards.

Dr. H. M. Nicholson, of Hamilton,
announces the opening of a practice
in Hagersville. See his advert un-
der Professional Cards for further
particulars.
