JUNE "ROD AND GUN"

In view of the increase in the popularity of Ontario and Canada generally with American tourists, the June issue of "Rod and Gun" which is a special Ontario Tourist Number is particularly interesting.

All stories and articles in the number, with the exception of the regular features, deal with Ontario sport while a personal message from the Premier of Ontario welcomes all tourists to the province and a special Ontario section describes some of the beauty, health, fishing and hunting resorts in Ontario.

A new aspect of angling is given in "Teh Jumbo Trout of Lake Superior," possibly the gem of the table of contents; while "Trout Fishing" is a delightful reminiscence of the creeks of old Ontario.

The regular gun, fishing, outdoor and kennel departments contain specially interesting material for this issue.
