CORRESPONDENTS

SANDUSK

Spring seems to be coming and we think some of Jack Miner's crows must have escaped.

Miss Doris Pond, nurse in training in St. Joseph's hospital, Hamilton, spent Saturday at her home here.

Miss Francis Nicol spent the week end in Hamilton.

Mrs. Wm. Deal, of Port Dover, who is visiting her parents, Mr. and Mrs. Werner, had a bad fall on the ice on Monday, forcing her to be confined to her bed for a few days.

Miss Ina Sternaman, who has had a position in Detroit, contracted diphtheria and is at present in a hospital there. We are glad to be informed that she is getting along nicely.

Glowing reports have been received here of the recital of Miss Myrtle Hare given in the auditorium of the Toronto Conservatory of Music. The hall was packed to its capacity and she was showered with dozens of bouquets by her many friends. Congratulations!

ROCKFORD

(Too late for last issue)

Dr. Fraser Smith of Toronto, a returned missionary from India and Honan, China, gave a very soul stirring address in the church here Sunday evening. He related some of his experiences during his years of service in the foreign field, also described some of the awful scenes witnessed by that superstitious people, which only the Gospel of Jesus Christ can remedy.

Mrs. Henry Lemon returned home from the Hamilton Hospital last week much improved in health.

Mr. and Mrs. W. E. Hambly visited on Sunday at the home of their daughter, Mrs. Mrs. Lorne Wallace.

Mrs. Margaret Wilson is on the sick list.

Miss Grace Wride returned home Saturday from Stratford, where she has been visiting her friend, Mrs. Harry Almas (nee Hazel Moyer).

Charlie Smith has hired to Frank Smith for the summer and commenced work Monday morning.

Mrs. Fartin Anderson spent Monday at the home of her son, Stanley Anderson.

Miss Edith Smiles of Toronto, visited her parents over Sunday returning to the city on Monday.

Stanley Anderson was called as a juror to attend the assizes at Simcoe recently.

Some of the pessimists who tell us the country is going to the dogs, are often just cute enough to own quite a bunch of hounds.

Buy with Care!

Three Things Determine Whether the Price You Pay for Your Automobile is High or Low—

✓ **Check Value For Value**
Check the value in the car you buy on the basis of the advertised f.o.b. price. Chevrolet quality, power, appearance, easy riding, dependability and economy provide the reasons why over 2,000,000 people have bought Chevrolet cars.

✓ **Investigate the Cash Delivered Price**
The purchaser of any automobile pays for freight, tax and handling charges. Chevrolet's low delivered price includes these charges—there is no padding.

✓ **Check Time Financing Charges**
The financing charges when buying a Chevrolet on time are the lowest in the world. And these minimum charges include financing and fire and theft insurance. No other charges—no side notes to be signed.
Because of Chevrolet's low cash delivered price and the lowest of financing charges, you obtain the greatest value at the lowest cost, whether you pay cash or buy your CHEVROLET on the GMAC Time Payment Plan.

Come in—Let us show you how we can save you money in buying a Chevrolet on time.
