### Bay of Fundy.

Of all Nova Scotia's countless attractions, none is more interesting than the tormented tides of the Bay of Fundy. In this northern end of the bay, especially where the water becomes more confined, it rolls not merely in waves, but in spectacular walls that march onto the shore. The changing colors of the water, red and blue and green and silver, are remarkable at all times; in the early morning they are exquisite, when fogs still hang low and the crimson of the sky tinges the water through the misty gray veil.

"Tides of Fundy, tides of Fundy. What is it you bring to me—  
News from nowhere vague and haunting  
As the white fog from the sea."  
—Vernon Quinn, in "Beautiful Canada."

### BABY'S OWN TABLETS AN EXCELLENT REMEDY

For Any of the Many Minor Ailments of Infants and Young Children.

No mother can expect that her child will escape all the ills to which babyhood and childhood are subject, but she can do much to lessen their severity, and to make baby's battles for health easily won.

Nineteen-tenths of the minor ailments which afflict babyhood and childhood are caused by some derangement of the stomach and bowels. Regulate the stomach and bowels and these troubles will disappear. To do this nothing can equal Baby's Own Tablets. They are a mild but thorough laxative which through their action on the stomach and bowels never fail to banish constipation and indigestion; colds and simple fevers; expel worms and make the dreaded teething time easy.

Concerning Baby's Own Tablets Mrs. A. Koshan, Hamilton, Ont., writes: "Kindly send me your booklet, 'Care of Baby in Health and Sickness.' I have two little children four and a half and three years old and have used nothing else for them but Baby's Own Tablets. I think the Tablets are a wonderful medicine for little ones."

Baby's Own Tablets are sold by all medicine dealers or will be sent by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### The Fair Hills of Ireland.

A plentiful place is Ireland for hospitable cheer.

Uileacan dubh O!  
Where the wholesome fruit is bursting from the yellow barley ear;  
Uileacan dubh O!  
There is honey in the trees where her misty vales expand,  
And her forest paths, in summer, are by falling waters fanned;  
There is dew at high noon tide there, and springs in the yellow sand,  
On the fair hills of holy Ireland.

Large and profitable are the stacks upon the ground,  
Uileacan dubh O!  
The butter and the cream do wondrously abound,  
Uileacan dubh O!  
The cresses on the water and the sorrels are at hand,  
And the cuckoo's calling daily his note of mimic bland,  
And the bold thrush sings so bravely his song in the forests grand,  
On the fair hills of holy Ireland.  
—Sir Samuel Ferguson. (From the Irish.)

### An Ungrudging Reply.

Queen Elizabeth is sometimes pictured as possessed of a temper which, carrying with it the power of revenge, made it greatly feared. The "Virginia Queen" is also reported by some writers to have been a proficient musician. Probably both statements are true. Although it was hardly safe to speak of her temper during her life, it was the proper thing to flatter her musical attainments. One of her de-sires was to excel Mary Queen of Scots as a performer. But Elizabeth's temper did not always cause her to wreak vengeance on those who spoke in an unbecoming manner of the Queen. This is instanced in the case of Dr. Tyte, who frequently performed on the organ in the royal chapel. On one occasion while he was playing some music more technical than tuneful, she sent the verger to him with the message that he was playing out of tune. The doctor's quick reply was: "Tell the Queen that her ears are out of tune."

The Queen let the mark pass without rebuke.

Moving Pictures.

"Have I? My wife's doing the fall cleaning."

### Many Jews Change Names in New Palestine Homes

The Jewish aptitude for a change of surname is reported to be manifesting itself in Palestine, where many of the Zionist settlers are adopting the new Hebrew designation "Mizrachi," meaning Easterner, says "The Manchester Guardian." Once upon a time a whole great Jewish community was compelled to make such a change of name by law. After the Prussian War of Liberation in 1913, an edict was issued ordering all Jews within the Prussian realm to Teutonize their surnames. Most of those affected chose new designations from nature and originated the tribes of Rosenstein, Rosenberg, Blumenstein, and so forth.

## Surnames and Their Origin

ATWATER

Variations—Atton, Atcliff, Atwood, Atworth, Atfield, Hatfield.  
Racial Origin—English.  
Source—A locality.

Very nearly all family names of English origin begin in "At" with the exception of certain ones in which this is but a corruption of the "Ad" from the given name of Adam, had their origin as indicative of the place of residence of those who bore them.

The period at which family names began to form in England was the period in which the Norman and Saxon elements of the population of that island were in process of amalgamation. Throughout most of this period there were two tongues spoken. It follows, then, that many surnames were formed in both languages, and from them have developed very often a Norman and Saxon family name, totally unlike in sound, but the same so far as their original meaning was concerned.

Surnames which were prefixed by "de" were, of course, Norman. The Saxon equivalent of this prefix was "at," or "atte," the latter being a contraction of "at the." To-day we don't speak of a person being "at" a place unless he actually is there at the moment. But in those days the word had much the same meaning as "of" or "from," like the French "a" in "a la" to-day.

The man who bore the name of Atwater was one who lived near the water. Atton meant "at the town." Atcliff was "at the cliff." Atworth was "at the worth" (wooded inclosure). Atwood and Atfield are obvious. Hatfield is sometimes a corruption of Atfield.

## THE TRIALS OF MIDDLE-AGE

Much of the Suffering Women Endure Can be Avoided.

Every woman approaches middle age with considerable anxiety, because she knows this is the time of her life when trivial ailments may be the first signs of trials and sufferings to come. She fears the headaches, backaches, lassitude and other distressing weaknesses that burden the life of so many women at this period.

Much of the anxiety and suffering that assail women approaching middle age can be avoided. This has been proved by thousands of happy, virile women who have relied at this time on the health-help given by Dr. Williams' Pink Pills. To the middle-aged woman the one thing necessary to carry her through her years of trial is rich, red blood. Because of their direct action on the blood, Dr. Williams' Pink Pills are the one remedy praised by women for women's needs. Among the thousands who have found benefit from this remedy is Mrs. Allan Wager, Echo Lake, Ont., who says: "I was at a critical period in the lives of all women and was sick and miserable. I became so much run-down that I was unable to do my housework. The least exertion would cause my heart to flutter so violently that I would have to sit down. I had headaches and backaches, and was in a depressed condition. I saw Dr. Williams' Pink Pills recommended and decided to give them a trial. It was fortunate that I did so, for under the use of this medicine I was restored to good health and strength and feel like a new woman. I never neglect an opportunity to recommend this remedy to those who are run-down for I am very grateful for what the pills did for me."

For all ailments due to weak watery blood Dr. Williams' Pink Pills will be found a specific. You can get the pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### She Obeyed All Right.

The bishop was coming to tea, and the whole household was flustered. Such an honor had never come their way before.

Mother was determined to have everything perfect. So she called little Mary to her.

"My dear," she warned, "whatever the bishop says to you, be sure to say 'Your Grace' when you answer."

Not until too late did she wonder whether she ought to have told Mary to say "My Lord!" But the bishop was here now. And anyway, if it was wrong he would put it down to sweet childish ignorance.

"Well, well," said the great man, "and here's a nice little girl. What is your name, little one?"

"M-Mary," faltered the child—"and for what we are about to receive, may the Lord make us truly thankful!"

### Two Ways.

Mistress—"We are having four friends to dinner this evening."

Cook—"Yes, ma'am. And how do you wish it prepared?"

Mistress—"I gave you the menu. What do you mean?"

Cook—"Well, prepared so's they'll come again, for instance?"

### Not the Man.

Applicant—"I assure you, sir, I have plenty of get-up-and-go."

Employer—"Sorry, we're looking for a man with sit-down-and-stay."

### Recompense.

What care I for the tongue of man?  
For have I not these things—  
The beautiful sweep of the earth's full breast,  
The transit of sun from east to west?  
'Tis morn and the glad world stirs.  
What is the speech of people?  
In the market place stands the Pharos,  
But yonder a wild riot of vines  
The passage of a fox entwines.  
Ah, calm is the heart of me.  
—Virginia Steacy.

### Light Trick Fools Thieves.

The trick of leaving the dimmers and tedi light on when parking is one that has prevented many car thefts. A potential thief who sees a car with lights burning figures that the owner is leaving the machine but a few minutes. In some cases it helps the battery, too.

### STRATFORD WOMAN

Restored to Health by Lydia E. Pinkham's Vegetable Compound

Stratford, Ontario.—"After my first baby was born I started to work on the tenth day and did a big washing on the twelfth day. Being so young (I was married at 19) I did not know what was the matter, so let it go until I was all run-down, weak and nervous, and had a bad displacement. For nearly two years I could not sleep and I would always complain of having 'not a head-ache,' but a brain-ache." My mother is taking Lydia E. Pinkham's Vegetable Compound during the Change of Life and she recommended it to me. After taking two bottles I began to get a little sleep and to feel better and I have never left off since then, except for about three months. I can safely say I have taken thirty bottles since my second baby was born. I think it makes child-birth easier as I had terrible pains with my first three children and very few with my fourth as I was so much stronger. I am now able to do my work alone, but I am still taking the Vegetable Compound as I am nursing baby."—Mrs. OMER PAUL, 49 Cherry Street, Stratford, Ontario.

If you are suffering from any weakness which causes such symptoms as pains in the side and back and nervous feelings, give Lydia E. Pinkham's Vegetable Compound a trial now.
