### Little Girls' Game Causes Heartache To Lonely Mother

Two little girls sit at a window  
playing a game. They make believe  
that every woman they see coming up  
the street is mamma coming home to  
them. They shut their eyes until she  
gets almost to the door and then open  
them hoping it is really the one they  
long to see. They firmly believe that  
some day their wonderful dreams will  
come true. Mother knows of this  
game, and she is doing her best to  
make it come out right, but just at  
present she is having a small strug-  
gle to stay on this earth at all.

She is taking the cure at the Mus-  
koka Hospital, but had allowed her-  
self to become so greatly run down  
that there isn't much left of her for  
the kindly nurses and doctors to build  
upon. The wonderful quiet of the  
great hospital, and the care she is  
getting, are soothing to her worried  
mind and body. Some day she hopes  
to be with her little daughters again.  
Contributions may be sent to Hon.  
W. A. Charlton, President, 223 College  
Street, Toronto 2, Ontario.

## 36th Anniversary

1926

NOTICE

Many have asked us to al-  
low the Birthday Cake to re-  
main intact until Saturday, as  
they have friends coming for  
the week-end and they would  
like to have their friends see  
it. Consequently the first serv-  
ing of the cake now on display  
in our Show Window will be  
Saturday, November 6th, from  
3.30 to 5 o'clock, in the Din-  
nerware Section, Basement  
Store.

THE WHOLE STORE FAIRLY  
TEEMS WITH EXTRAOR-  
DINARY OFFERINGS

You profit in full by the savings  
we gained by tremendous cash pur-  
chases. Never has any store doing  
business in a place eight (8) times  
the size of Simcoe come before the  
public with greater stocks, or great-  
er values. Our well-known facilities  
for quick outlet and cash payment  
have swung prices decidedly in your  
favor—and the full advantage is  
passed on to our customers.

REMEMBER, PLEASE

Store will close each after-  
noon of the Anniversary Sale,  
except Saturday, at 5:30. With  
a greatly increased selling staff  
we find this necessary to en-  
able us to get in proper shape  
for the following day's busi-  
ness.
