TWO WEEKS AFTER CHRISTMAS

You wake up bright and early on
Christmas morning. You open the
stockings. Christmas presents on
Christmas morning are the most won-
derful things in the world. Under
the soft light of Christmas candles,
every present looks like a priceless
treasure.

On the day after Christmas you
begin to look at your presents more
carefully. It is easier to decide which
ones you like best.

One week after Christmas, your
preferences are very definite. Two
weeks after Christmas, you have in
stop and think a minute to remem-
ber what some of your friends gave
you.

Why not give your friends a Christ-
mas present that they cannot forget,
and would not if they could? The
Youth's Companion comes once every
week—fifty-two times in a year.
For \$2.00, what present could you
possibly buy that would be more use-
ful, more used, and better appre-
ciated?

Just send your order to the ad-
dress below and Santa Claus will take
care of delivering the Companion to
your home or to the home of a friend.
Subscribers will receive:

1. The Youth's Companion—52 is-
sues in 1927, and
2. The remaining issues of 1926,
All for only \$2.
3. Or include McCall's Magazine,
the monthly authority on fashions.
Both publications, only \$2.50.

1926 Christmas Seals

The 1926 Christmas Seals, in aid of
the Muskoka and Toronto Hospitals
for Consumptives, have just been is-
sued. These handsome seals, of dif-
ferent designs, are put up in assorted
packets of 10, 25, 50 and 100.

The National Sanitarium Associa-
tion is in need of funds to carry on
the work of its hospitals in Muskoka
and at Weston. Every dollar received
through the sale of Christmas Seals
is used for maintenance of patients
there.

Why not buy these seals in lieu of
others? Not only will you get good
value in return, but your money will
be made to serve a greater end, for
it will go to help someone in distress.
Look for the double-barred Red
Cross on every packet. None others
are genuine.

For sale by school children and
banks, or direct from Xmas Seal De-
partment, Gage Institute, Toronto &
Ottawa.

Can You Find the Twins?

No, they are not all twins! Two and only two are identical, and are the twins
you are asked to find. Can you? To be sure, the 13 pictures all look alike;
but look closer. How about their hats? There are other differences, too.
Read the clues. Only two girls are exact duplicates. They are Twins—can
you find them?

CLUES

At first glance all of the pictures look alike. But upon examination you will see that
almost every one differs in some way from all the others. In some the difference may be
in the light or dark band on the brim of the hat or in the brimming on the hat or the
collar. Or, some may wear necklaces, or ear-rings, or both. Only two are exactly alike.
No, it's not as easy as it looks. You must search carefully.

Just look closely—make sure that you have the twins, then send in your answer. Some-
body who finds the right twins is going to win a big prize. Make that "somebody" be
YOU.

First Prize \$2,000.00
