## MY! HOW THE TIME FLIES!

Why, it seems only yesterday that I came to Simcoe to help The Henry R. Crabb Store open their new basement and when I looked at my calendar I found that it was one year ago—and now, girls and boys, what do you think—I am coming again this year on Saturday Nov. 27th, to assist this same store to open their TOYLAND. I will arrive at 10:00 a.m. and will stay for one hour and then I will have to take time for dinner and feed my reindeers and I will be back at 2:30 for about an hour. You may have forgotten just how we did this last year, so I will tell you again. I want all the Simcoe boys and girls to come and see me in the morning, if they can, and then the afternoon will be for the boys and girls from the rural districts and the other towns near Simcoe. You boys and girls must bring one or both of your parents or a guardian so that you won't get hurt or lost, because I expect to meet a lot of you on Nov. 27th, and this year I am bringing many hundreds of new Christmas Handkerchiefs and will give one to every boy or girl that is 12 years old or younger. I want you all to come and bring your parents and friends for there are stacks and stacks of Toys and Dolls for you all to see and then you know this store is very fond of children and you will have a real good time.

Goodbye, until

November 27th, at  
10:00 A.M. and 2:00 P.M.  
SANTA CLAUS.

P.S.—I forgot to tell you that The Henry R. Crabb Store has two large displays of Toys—one in the basement and the other on the 3rd Floor.

### IT'S THE UNEXPECTED THAT ALWAYS HAPPENS

We Never Hoped For Such Treatment  
"Friendship in Trade"

Several nationally-known Furriers that we  
have been doing business with for years "come  
forward." Here are copies of some of their Tele-  
grams and Telephones:

—"Sorry to hear of loss, shipping 15 coats to-  
night. Am sure you will appreciate the prices we  
are invoicing them at. What are not disposed of  
by December 11th, return. Kindest regards."

—"Just learned of your loss. Will you permit  
us to send shipment of Fur Coats at unusual prices  
No obligations. Wire answer."

—"We can be of service to you at this time.  
Can send nice assortment of Fur Coats, as had  
earlier, much below value. Advise."

We have asked them to send along the Coats.  
Many of them will be on display in our show win-  
dow Saturday. The price tickets on the coats will  
prove if our Trade Friends are sincere or not.

# Shall we sound the retreat?

THE scarred, old battleground of Ontario is  
about to witness the supreme temperance con-  
flict of its history. Is booze coming back again?

After twenty years of struggle, twenty years  
of victories hammered out with blood and tears—  
are we now to sacrifice the ground we have  
gained?

In the long, bitter struggle against the liquor  
traffic, every trench has been held and consoli-  
dated. Now the great bulwark of the Ontario  
Temperance Act is assailed by all those who would  
make Ontario "wet" again.

Shall we then sound the retreat? Shall we  
yield up the ground won in the countless, heart-  
breaking struggles of men, women and children  
in bygone days. NEVER.

Let every man and woman, every voter, stand  
firm in the onslaught and hold up the hands of  
the Prohibition candidates.
