FAREWELL AND PRESENTATION—"AVE ATQUE VALE"

On the evening of Friday, Oct. 15, about 75 friends and neighbors met at the home of Mr. Robert Booth to bid him good-bye and express sorrow at his departure.

Mr. Booth has lived a bachelor's life in the home of his birth since the death of his mother, about eight years ago, at the ripe old age of 98. Mr. Booth is now moving into his new home in Jarvis, and he will be missed as he has been an accommodating and sociable neighbor.

The evening was pleasantly spent in games, at the close of which an address was read by Mr. Elvin Pond and Mr. William Biggar presented him, on behalf of his friends, with a beautiful dull brass smoker's stand. Mr. Booth thanked everyone for their kind remembrance and expressed much pleasure at seeing so many at his home. An enjoyable lunch was then served, after which followed some community singing, ably led by Mr. Frank Booth. The well spent evening was then culminated by good-byes to the hero of the evening.

Following is a copy of the address: Mr. Robert Booth.

Dear Bob:—
A few of your many friends are met at your home tonight to bid you a temporary farewell—temporary, because we hope to see you in your new home in Jarvis, and noting that you still keep the sorrels, have you visit us as often as you have done in the past.

It is with regret that we see you go and we now offer you this token of our regard.
Signed on behalf of the community,
W. Lofthouse.

GIVEN VARIETY SHOWER

A variety shower was held on Saturday evening, Oct. 16th, in honor of Mr. and Mrs. Earl Post at the home of the bride's parents, Mr. and Mrs. Edward Wright.

Mr. and Mrs. Post were the recipients of many beautiful and useful presents, showing the high esteem in which the young couple is held by their many friends.

Guests were present from Hamilton, Milgrove, Cayuga, Jarvis, Hagersville and Simcoe.
The evening was spent in games and amusements, after which a dainty lunch was served. The guests on departing wished Mr. and Mrs. Post a very happy future. The young couple will reside in Simcoe.

KNOX CHURCH BAZAAR

The ladies of Knox Church will hold their Bazaar and Supper on Saturday, Oct. 30th, in the school room of the church. The bazaar opens at 3 o'clock; supper will be served from 5 to 7:30 o'clock. Adults 35c, children 25c.

THREE JARVIS GRADUATES

Three of the Jarvis young ladies who have been in attendance at the Robinson Business College Limited of Waterford—Mary A. Swing, Gertrude E. Donovan and Mildred Gowan—were successful in passing the final stenographic examinations of the Business Educators' Association of Canada at the end of September. These young ladies spent a longer term in the College than do the majority of R. B. C. students because of the fact that they took both Commercial and Shorthand courses. They are to be congratulated.

Our next Red Letter Day at all Robinson Schools is Monday, November 1. Begin your Commercial or Secretarial Course on that date.
O. U. Robinson, Principal.

FAREWELL AND PRESENTATION

On Tuesday evening last a large gathering of friends met at the home of Mr. and Mrs. J. W. Pond to bid farewell and express their feelings of regret at losing them.

Mr. Pond, who has always lived on the farm of his birth, and Mrs. Pond, who has lived there since her marriage, have purchased a home in Hagersville and intend moving there in a few days.

By this the community felt they were losing not only time-honored citizens, but those who had endeared themselves to them in the bonds of real friendship. The W. I. felt they were losing an active worker and the church felt they were losing faithful and useful members, Mrs. Pond having been a member of the choir and president of the Ladies Aid, and each wanted to give expression to their feelings of appreciation of the past and loss for the present, so all joined in one common farewell gathering.

Rev. Mr. Neil, pastor of the Chesapeake United Church, acted in the capacity of chairman for the evening. Miss McKenzie enlivened the time with a humorous reading, Mrs. E. S. Pond with a whistling solo and the Misses Vera Bush and Laura Awde gave piano solos.

Rev. Mr. Neil then called upon Mr. Sternaman, Mrs. Walker, President of W. I., and Mr. E. Shoup, for short addresses, each to represent the community, the W. I. and the Church respectively. Each responded, Mr. J. Walker speaking for his wife, expressing the same feeling of good will, regrets at losing them and extending good wishes for the future.

Mr. and Mrs. Pond were then conducted to the centre of the gathering and Mr. Chas. Sheppard read an especially prepared address and Mr. C. Lofthouse, the oldest representative of both the church and community, made the presentation of a beautiful electric lamp.

Mrs. Pond, although taken by surprise, very ably thanked the friends for their kindness, while Mr. Pond pleasantly expressed his appreciation to his wife's "Thank you."

After the lunch of friendship was eaten, all joined in singing "Blest Be the Tie That Binds," and the evening was closed by the Benediction. The following is a copy of the address:

Sandusk, Oct. 12th, 1926.

To Mr. and Mrs. J. W. Pond:—

It is with sincere regret that we learn that you are to leave the neighborhood, for you have always been kind, benevolent neighbors, faithful members of the church and Mrs. Pond a dependable Institute member.

We, as well as many who are not present, desire in some little measure to express our esteem for you inasmuch as you have endeared yourselves to all. We hope you will not

When the First Trans-Canada Pulled Out

1. The first Trans-Canada train in 1856. 2. The Trans-Canada of today.

The fortieth anniversary of the first Trans-Canada train has recently been celebrated by the Canadian Pacific Railway. It was the 23rd of June 1856 when the train pulled out of Dalhousie Square Station, Montreal, on its long pilgrimage of 2,296 miles across the Dominion. There were people present who were very penitentiary, but today they are proud of that memorable day in June.

At eight o'clock on that day, passengers filed with excitement of the great adventure boarded the train, which was composed of an engine and ten cars, including two baggage cars, a mail car, two first class coaches, two emigrant sleepers, the sleepers "Yallahama" and "Honi-lulu" and the dining car "Holyrood."

As the news spread that the first transcontinental train was on its way, little settlements of hardy pioneers and Indians in all their grandeur, turned out to watch the "White man's fire wagon" speed along its newly-laid shining "right of way."

The old locomotive which pulled the first Atlantic to modern eyes. It burned cordwood, and with its big smokestack and gorgeous display of polished brasswork, which shone like gold, its array of flags and floral decorations it made an imposing spectacle. The engineer of the train was "Bob Mac", one of the best known railroad men of that time, and he pulled into Port Moody, B.C. sharp on time, six days after it left Montreal.

Today we travel across to Vancouver in 80 hours, with all the comfort and modern conveniences of this age and confident of arriving on time.
