TO ADDRESS BOYS AND GIRLS

A rally of the Youth of Haldimand County will be held in Hagersville United Church on Thursday evening, Oct. 21st, at 8 o'clock. Mr. Gordon Lapp, ex-Premier of the Boys Parliament, will be the speaker. Mr. Lapp, who is only 23 years of age, is one of Canada's outstanding characters, having represented this country at the League of Nations conference in Finland in August, and goes West to accept a position with the Alberta Boys Work Board next month. So this is your only chance to hear him in Haldimand. Let's have a good representation there from Sanduski.

GREAT YEAR IN THE NATION'S HISTORY

Interesting things have happened in 1926. Commander Byrd in a Fokker airplane, circled the North Pole. Photographs taken in Europe were transmitted on radio waves to America, and published in newspapers a few hours later. Gertrude Ederle, a daughter of a New York butcher, swam the English Channel one hour faster than any of the five men who had swam it before her.

Is anything interesting going to happen in 1927?

For one thing, the Youth's Companion on April 16, will celebrate its HUNDRETH BIRTHDAY. During 1927, the Companion will contain more interesting reading than ever before during its century of successful life. Consider what you will get for \$2.00: 52 issues, containing 9 book length serials, 250 short stories by the most popular authors, more than 100 special articles, a weekly section for ingenious boys, called the "Y. C. Lab," a thorough girls' department, and 52 pages for children. Also in each issue, an extensive survey of current events, making it easy for you to follow the affairs of this busy world.

Don't miss the greatest year of a great magazine. Subscribe now, and receive:

1. The Youth's Companion—52 issues in 1927, and

2. The remaining issues of 1926, All for only \$2.

3. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only \$2.50.

Can You Find the Twins?

No, they are not all twins! Two and only two are identical, and are the twins you are asked to find. Can you? To be sure, the 13 pictures all look alike; but look closer. How about their hats? There are other differences, too. Read the clues. Only two girls are exact duplicates. They are Twins—can you find them?

---CLUES---

At first glance all of the pictures look alike. But upon examination you will see that almost every one differs in some way from all the others. In some the difference may be in the light or dark band on the brim of the hat or in the brimming on the hat or the collar. Or, some may wear necklaces, or ear-rings, or both. Only two are exactly alike. No, it's not as easy as it looks. You must search carefully.

Just look closely—make sure that you have the twins, then send in your answer. Somebody who finds the right twins is going to win a big prize. Make that "somebody" be YOU.
