MYRTLE HARE, L.T.C.M., TO PRESENT SONG RECITAL

Myrtle Hare, L.T.C.M., will present a song recital program of unusual interest in the United Church, Hagersville, on Monday evening, Sept. 20th, at 8:15, under the auspices of the Ladies Aid. Miss Hare will be assisted by Aileen Bawden an elocutionist of exceptional ability who will give humorous as well as dramatic selections, and Muriel Gidley, A.T.C.M. (piano and organ) gold medal organist in T. C. M. Dominion exams 1926. Miss Gidley is a very gifted accompanist as well as pianist and organist and will accompany Miss Hare. She will also play solo numbers. The program will be a varied one: a group of sacred songs with organ, one or two operatic selections, and the remainder of the program will consist of general favorites including "Danny Boy" and the ever popular song of Sanderson, "Break O' Day."

In connection with Miss Hare's recent appearance in Massey Hall the music critic of "Musical Canada" wrote: "This contralto discloses a deep, rich, vibrant tone, sings with perfect style and control, and at all times exhibits a careful foundation in the art of pure singing, a quality which is the essence of true vocalism."

"Miss Myrtle Hare, pupil of Mr. Slater, was impressively majestic in her singing of Tchaikowski's 'Adeu to the Forest,' a song of fine pictorial quality eloquently interpreted in a contralto voice of exceptional rich quality... some of her tones quivering in dynamic."—Augustus Bridle in the Toronto Star.

Tickets for this recital may be purchased from Meta MacMurchy or Cora Henning, at the price of 50c and 35c.

NOTICE

Commencing with October 4th, and until further notice, the barber shops of the undersigned will close at 6 p. m. on Mondays and Thursdays.

A NEW TREATMENT FOR SMUTTY WHEAT

Ontario farmers have for years been taking heavy losses on account of growing smutty wheat. These losses in the aggregate each season will run well over one million dollars, and we have known individual farmers who have taken discounts of from 5 cents to 15 cents per bushel on from 500 bushels to 3000 bushels. If this loss were not easily preventable it would not be so bad, but the treatment given below is the latest information on this subject from the Ontario Agricultural College, and we pass it on to you in the hope that you will make use of it and save yourself the heavy discounts on smutty wheat.

Directions for Copper Carbonate Dust Treatment

The dust should be applied at the rate of two or three ounces per bushel of wheat. Place the grain to be treated in a barrel or churn, about a bushel at a time. Add the required amount of Copper Carbonate Dust and then revolve the barrel or churn until the dust is thoroughly mixed with the grain. After this treatment the grain may be bagged and sown at once. Machines are now on the market for applying dust rapidly to large quantities of seed.

Copper Carbonate may be secured from almost any Toronto dealer at 25c per pound delivered, although in some places as high as \$1.25 per lb. is being charged.

COUNTY BOYS' WORK BOARD HELD TENNIS TOURNAMENT

The tennis tournament promoted by the Haldimand County Boys' Work Board attracted many of the best players of the county, resulting in keen competition.

About 23 boys representing Caledonia, Hagersville, Cayuga, Nanticoke, Chapside and Dunnville Sunday Schools, took part in what was undoubtedly one of the cleanest and most sportsmanlike competitions ever held in this county, at the High School grounds, Dunnville, on Saturday, 11th September.

The winners in the different events were as follows:

Junior Singles—Alex Mellon, Caledonia.

Senior Singles—Fred Lymburner, Dunnville.

Junior Doubles—Alex Mellon and Wilfred Clark, both members of the Baptist Trail Ranger Camp at Caledonia.

The winners in the Senior Doubles event were LeRoy and Victor Pond of Chapside United Sunday School, who were successful only after playing a hard fought game with Robert Jarrett and Arthur Crocker of Cayuga United Church.

The beautiful engraved silver cup, donated by Mr. Thos. Camelford of Dunnville, warden of our county and past president of Haldimand County Religious Education Council, to the best player, junior or senior, in the singles, was won by Mr. Fred Lymburner of Dunnville Baptist church, in a most interesting and evenly matched game with Alex Mellon of Caledonia. George Walker of Chapside was referee for the final game.

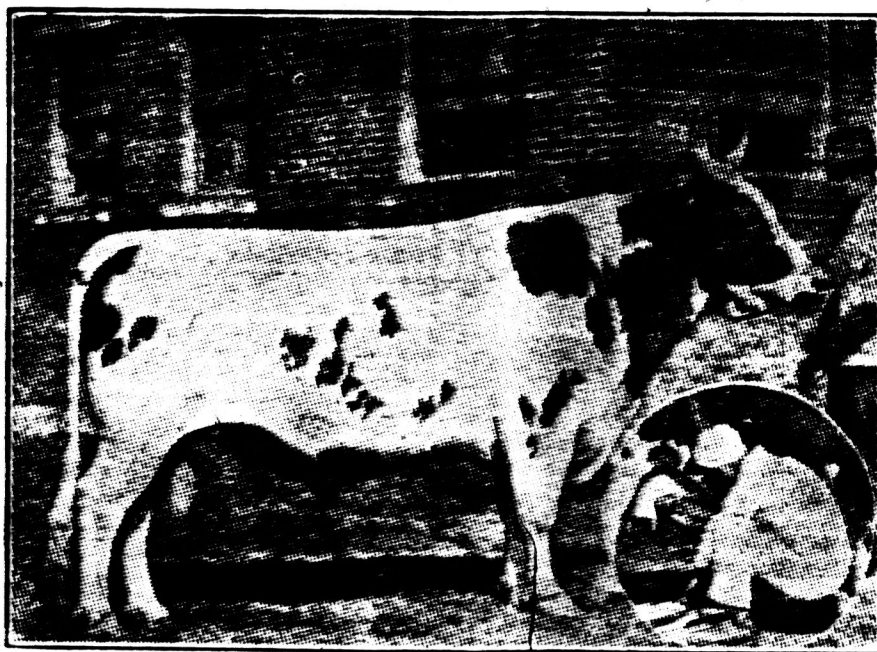

The cup is to be open for annual competition and it will become the property of the Sunday School class who is first successful in winning it three times.

It was almost dark when the prizes were presented, and a hearty vote of thanks extended to all those who had helped to make the event a success, and the boys parted feeling that they had made new friends and expressing their hope that they would meet again next year.

BIG DANCE

Selection of Dairy Cattle Breeds Influenced by Shows

Many a man who is undecided as to the breed of dairy cattle that he will select has been influenced in making his decision by the animals of a particular breed that he has seen in public.

The individual breeder secures a great deal of advertising as the result of exhibiting at fairs, or in offering good animals at public sales. It gives people a chance to see and know the kind of stock that a man is breeding and paves the way for future business.

It is essential that special care and attention be given dairy animals far in advance of the time that they are to be exhibited or sold. Exhibiting or selling animals publicly in their everyday clothes is poor advertising and puts them at a disadvantage when the competition is keen. It takes several weeks to put a dairy animal in good show condition and what applies to fitting for show applies as well to fitting for sale.

It is important that the dairy animal to be exhibited or sold be in good flesh. A good covering of flesh adds to size, increases smoothness and indicates that the animal is thrifty and in good health. Dairy animals being fitted need extra feed.

Stabling and blanketing are great aids in putting the hair and hide in condition. If by stabling in summer, the animal is protected from the hot sun which makes the hide harsh and stiff to the touch. A roomy box stall that is kept clean and well bedded

provides desirable quarters. Continuous blanketing helps keep the animal clean, sweats the hide, thus improving its handling qualities and makes the hair lay to the body. The blanket need not be expensive but it must be tied on securely.

Every dairy animal that is to be exhibited should have the hair clipped from the entire body about three weeks previous to the date of the show or sale. This will get rid of the old hair and allow a new, even growth to develop which will greatly improve the appearance and increase the selling value of the animal.

A point often overlooked in the preparation of a dairy animal for show or sale is that of training to lead and stand properly. An untrained animal cannot display its good points to advantage if it combats the efforts of the attendant to exhibit it properly. A little time spent each day in training to handle properly will save effort and embarrassment at the show or sale and increase the financial return.

While in the show or sale ring, the man in charge of an animal should have one main thought in mind, namely that of showing the animal to advantage. By this is meant that when it stands, its feet are properly placed, back straight and head alert. Any movement on the part of the attendant or animal should be as graceful as possible. Until the ribbons are placed or the auctioneer's hammer falls, take no chances.

RENTON

September 14.
Election will be over by the time this is read, as well as the Toronto Exhibition. Now let us get ready for Simcoe's great Fair.

Harvest is not all done as yet in this vicinity.

Fall wheat seeding is in full swing around here.

Some have commenced fall plowing.

Pat: "Sure, and I'd give a thousand dollars, Mike, if I knew the place where I was going to die."

Mike: "Faith, Pat, and what good would that do you?"

Pat: "Begorra, I'd never go near the place at all."

Quite a few from this vicinity attended the exhibition at Toronto.

Some from here are talking of taking in the London Fair this week.

Don't forget, Simcoe has a fair next week.

Died at Port Dover, on September 15th, 1926, Mrs. Stanley Dellar, wife of Mr. S. Dellar. The funeral was held on Saturday last, interment in Port Dover cemetery. Mrs. Dellar was a daughter of Mr. and Mrs. W. D. Power of Woodhouse. The funeral was largely attended and flowers in abundance.

ROCKFORD

September 7th.

The annual Harvest Home services were held in the church Sunday last and although the weather was not favorable to a large crowd, yet the attendance was very good. The speaker for the day was the Rev. Mr. Green of Rockville. The choir rendered some very special music which was much appreciated. The church was most beautifully decorated with fruits and flowers, testifying to the goodness of the Lord in the land of the living.

Wm. Anderson of the Bank of Toronto, who spent over the holiday with his parents, Mr. and Mrs. Martin Anderson.

The Primary class of our Sunday School were right royally entertained on Monday by their teacher, Mrs. Miller. Antares were provided to convey the youngsters to Port Dover and the afternoon was spent in bathing, races and viewing the big boat "Silver Spray" which lay at the wharf all afternoon.

Robert MacKenzie, Liberal, was elected for the second time in the Assiniboia riding. Mr. MacKenzie is a brother of J. B. and James MacKenzie here.

RUNAWAY ACCIDENT

A team belonging to Mr. Hedges of Chapside, figured in a run-away on Thursday afternoon last. The animals bolted and ran south on Main Street and when in front of the residence of James Williamson turned on to the sidewalk running into the trees and detaching the wagon, at the same time striking Mr. Williamson who was on the sidewalk, causing a double fracture to his right leg.

We are pleased to report that the patient is doing as well as can be expected, considering his advanced age.

DIED

Died, on Sunday, Sept. 12th, at her late residence, 115 Constance Street, Toronto, Annie M. Jackson, beloved wife of Dr. S. W. Fallis, Book Steward of the United Church of Canada. The funeral took place on Tuesday, Sept. 14th, at 2:30 p.m., to Mount Pleasant cemetery.

Deceased was well known in Jarvis, as her father, the late Rev. T. W. Jackson, was stationed here for three years, when he occupied the pulpit in the Wesley Methodist church.

After having lunch on the beach all returned home again feeling that the holiday had been a happy one.

Mrs. John Wilson is in Toronto visiting her daughter, Miss Jessie, who underwent an operation in the hospital recently.

Mr. and Mrs. Chas. Brady, of Buffalo, and Mr. and Mrs. Stanley Brady and two sons of Toronto, are visiting with Mr. and Mrs. George Wymer.

Our public school opened last Wednesday with our new teacher, Miss Reta C. Humphries of Strathroy in charge.

Mr. and Mrs. Elgin Mason and Mr. and Mrs. Ellison Somers of Simcoe, attended our Harvest Home services on Sunday and took dinner with Mr. and Mrs. Franklin Smith.

Mr. and Mrs. Frank Riddle, Mr. and Mrs. Elmo Riddle of Wilsontonville, accompanied by their guests Mr. and Mrs. Harry Almas of Stratford, attended our Harvest Home services and took dinner with Mr. and Mrs. Henry Wride.

Miss Eva Shoup of Hagersville, was the guest of Miss Erie Gilbert over the week-end.

WEDDING WELLS

The home of Mr. and Mrs. Frank Saunders, of Walpole, was the scene of a very pleasant event on Wednesday, when their eldest daughter, Francis Edna Marie, was united in marriage to Edward A., the only son of Mr. and Mrs. R. J. Carpenter.

The party entered the parlor and took their places under an arch of roses, golden rod and evergreen. Mrs. Saunders played the wedding march. The bride was attired in silk crepe de chene, bearing a beautiful bouquet of mixed flowers. The bridesmaid, Mrs. A. Moxham of Detroit, was a sister of the bride. The groom was supported by Mr. A. Moxham.

The ceremony was performed by Rev. H. Brand of Jarvis, in the presence of the immediate relatives of the contracting parties.

After the wedding dinner, the party left for a motor trip to Detroit. The bride's travelling dress consisted of rae-fael duchesse satin and black silk and velvet hat.

On their return, Mr. and Mrs. Carpenter will reside in Walpole.

Their host of friends join in wishing them long life with true happiness.
