THE NEWSPAPER GUIDE

to the tourist. Busy people will to love it. study these advertisements in the And this to them in whom ambihome or in the office as they do a tion burns. Only by the degree to time table, and before they start out which you prove yourself true to the shopping they have determined where modest task of today can you fit

the town finds the advertising col- morrow. umns of a newspaper a reliable guide to follow, just as he finds the printed guide for tourists to points of interest a matter of interest and timesaving. In fact, the stores, the mills and the theatres are points of interest to all tourists, and the non-ad vertiser puts himself outside the pale thing of the past. of interest so far as strangers are

A SECRET OF HAPPINESS

"If you don't care for the things

On the surface it is not an inspiring message. Not to care for the things we can't obtain is to resign, give up, be supine. And when we quit in life's struggle we pay a dear price, indeed, for our meagre mete of happiness. Most of us perhaps, would rather keep on fighting. There is joy in the fight; joy at least to de-provincializing element. A sparse know there is fight in us.

Let us reverse the formula. premely happy."

The humble farmer, on his little every day. farm — if he loves that farm — may be happy beyond compare. If he posite direction. Towns tend to in the issue cover practically all the the nature of the security, if any, telligently, thoroughly, and it will out labels, it is difficult for a stranger yield him rich store.
