EVANS-JACKSON RE-UNION

One of the best picnics that has been held by these families was carried out in good style at Hickory Beach Park on Wednesday, August 3.

Promptly at 11.30 the crowd had gathered and the table committee went right to work in arranging the tables for dinner. Those who were present from a distance were from Blue Island, Ill., Toledo, Ohio; Buffalo, Calgary, Alta.; Reid Hill, Alta.; Toronto, Scarborough, Hamilton, Woodstock, Port Rowan and Selkirk.

HERE AND THERE

For the first time in the history of Alberta, alfalfa seed is being shipped to Denmark. This is registered Grimm alfalfa grown by the Grimm Alfalfa Seed Growers' Association, at Brooks, which this year produced one-third of a million pounds of this seed. It appears that Danish growers have experimented with this seed in the past and have now placed an order for 50,000 pounds.

The Nova Scotia Fruit Growers' Association has requested the Provincial Department of Natural Resources to appoint and send overseas a Commission to enquire into the conditions under which Nova Scotia apples are marketed. The suggested personnel is, the Secretary of the Nova Scotia Fruit Growers' Association, a representative of the United Fruit Companies and the newly appointed Provincial Horticulturist, Prof. Middleton.
