## JARVIS THREE MONTHS SCHOOL GREAT SUCCESS

The fall term from Nov. 29th to December 22nd was most successful, not only from the standpoint of attendance but also in the interest shown by the students in the lectures and demonstrations at both schools. Our records show that the present enrollment is:

Home Economics	71
Agriculture	45
<b>Total enrolment</b>	<b>116</b>
The average daily attendance is:	
Home Economics	53
Agriculture	32
<b>Total</b>	<b>85</b>

We are proud of our School not only because it is the largest in Ontario, but especially because of the fact that the students take such great interest in the lectures and render valuable co-operation to the instructors by their strict attention to all lectures and demonstrations. Then again, they represent a type of manhood and womanhood that should make any community feel proud.

Young people in the Jarvis community who did not avail themselves of the opportunity of attending the fall term have missed an education they will deeply regret. However, it is not too late as the School still continues until February 24th. The Winter Term opens on Tuesday, January 3rd and we are looking forward to an increased enrolment. We welcome back all the students who attended during the fall term and any new students who are interested.

This is an opportunity that you cannot afford to miss, so plan to come the first morning of the winter term, Tuesday, January 3rd. The enrolment at our School should be at least 150 as it is worthy of this attendance from the prosperous district of Jarvis.

## NO ELECTION IN VILLAGE—TWP. COUNCILLORS CONTEST

There will be no election in the village, the Reeve and Councillors of last year being given a vote of confidence for another term. In the township, the Reeve and Deputy Reeve were retained by acclamation, while the following will contest for a seat on the council: Lorne Dougherty, Wes Hodges, Wm. Haworth, F. Laidlaw, W. Wheeler and Wm. E. Williamson.

## CLASS SUCCESSFUL IN MISSION WORK

The Sunshine class of the Baptist Sunday School, Chesapeake, with their teacher, Miss Stillwell, have raised their \$50 for another year for the support of a native preacher in India. This man has charge of the Sunday School, preaches every Sunday, holds mid-week meetings, visits the people, and is also assisted by his wife in this work. No money can draw larger dividends than that which is invested in this work. They also sent a box of Xmas cheer to Mrs. (Rev.) J. B. McLaurin for her school work in India. They want to take this opportunity to thank all those who have helped in any way to make this possible, and would say to all the readers of the page, if you want real joy in your life, invest your money and time in the Lord's work.

All the generations since have looked to Yardley to bring this loveliness to them in varied forms.

Come in and see these famous toilettries. Our stock is complete.

## DEPARTMENT OF AGRICULTURE

### Annual Report of the Haldimand County Branch for Fiscal Year Ending October 31st, 1927

The most outstanding feature of the past year's work has been the increased interest shown in the educational courses and demonstrations conducted through the Office.

SWINE—Haldimand Bacon Hog Fair was held at Nelles Corners on Tuesday, October 11th with 375 interested farmers in attendance. 352 hogs were brought to the Fair; 71 exhibited in the breeding classes. Total number of entries 113; total number of exhibitors 48 and prize money paid to farmers \$333.00. The price paid for the hogs was 50c above the market price and the sale price was \$10.50 per cwt., the successful tender coming from John Duff & Son, Hamilton. After the hogs were killed and hanging on the rail, the quality was so superior that the farmers were given a bonus of 15c per cwt.

A Bacon Hog Cub was organized at Balmoral on December 23rd, 1926, with a membership of 25. At present there are 15 Bacon Hog Clubs in Haldimand—9 under the Live Stock Branch and 6 under the Duff Packing Co., Hamilton.

SHEEP—13 community, concrete dipping tanks were constructed at fairly even distributed points in Haldimand in 1925. These tanks are being used by the farmers as our records show that 3900 sheep were dipped in 1927. The value of the tanks is appreciated by sheep owners as shown by our records on file of applications for the construction of four new tanks during 1928. Five cars of wool were shipped co-operatively by 134 men in Haldimand. The weight per BL was over 18,000 lbs. of wool. Farmers engaged in the sheep industry are paying more attention to the high-grade rams as means of permanent improvement in the flocks.

POULTRY—4 demonstrations were held in poultry culling; attendance 56. In addition 23 individual flocks were culled with a total of 2491 birds. The Operator of the Poultry Breeding Station, Mr. G. W. Wharton, Cayuga R. No. 4, reports 112 doz. eggs sold for School Fair purposes; 143 dozen sold to farmers; 38 cockerels sold to farmers for breeding purposes; 2570 baby chicks sold to farmers. The average size of the flock per month was 178 birds; average yearly production per hen 178. The Poultry Breeding Station is a successful means of improving the standard of the poultry in the county.

## KNOX CHURCH SUNDAY SCHOOL CHRISTMAS TREE

To say that Knox church Sunday School Xmas entertainment was a success is putting it mildly. The fine spacious basement of the church was filled to capacity. Mr. Thos. McNeill, the superintendent, with other willing helpers, made a splendid stage platform to the comfort of the many who took part in the program, which consisted of musicals, recitations, dialogues of various kinds, etc., by the various pupils of the Sunday School. Then came a splendid play which was well presented and enjoyed by all. Rev. Dr. Marsh proved to be a splendid chairman and kept everything lively and bright. A free-will offering at the door went well up to the half hundred mark.

## CARD OF THANKS

I hereby wish to express my sincere thanks for the sympathy and kindness shown by the friends and neighbors during my recent sad bereavement.

John Johnston.
