Here and There

More Clydesdales are on the way to Canada from Scotland. It is expected that the year's imports will run to 120, a record since the war.

Over a million Christmas trees have been shipped from New Brunswick to United States markets, according to unofficial estimates based on exports of some 500 carloads averaging 2,000 trees to the car.

About 150 French-Canadians from the Prairie Provinces travelling under the auspices of the "Survivance Francaise," arrived in Montreal by special Canadian Pacific Railway train at the Windsor Street Station recently to spend Christmas and New Year in the province of their origin.

According to a recent statement of E. W. Beatty, Chairman and President of the Canadian Pacific Railway, the record of the railway's common stock as at June 30th, 1925, indicates that 52 1/2 per cent. is held in Great Britain, 19 1/2 per cent. in Canada and 19 per cent. in the United States.

All previous records have been broken by the salmon pack in British Columbia for 1925. It is estimated that the total pack for this year, when all returns are in, will be, in round figures, 1,900,000 cases. The nearest approach to this was in 1924, when slightly more than 1,700,000 cases were put up.

Early in June next year, it is announced, a regular airplane service between Chicoutimi, Montreal and Toronto will be inaugurated by the Canadian Transcontinental Airways Company—a corporation which has just received its letters patent. The airplanes or hydroplanes will make stops at Riviere du Loup, Quebec, Three Rivers, Montreal and Ottawa.

Nearly a ton of mistletoe wasted its sweetness on the Eveless air of the Canadian Pacific Express Company's yards in Montreal at Christmas time. It arrived from France and England via the Canadian Pacific steamship "Montclair," and was boxed in twenty-two crates, of which twelve were destined for New York and the balance for distribution in this city.

Two hundred and ninety-four vessels of 55,295 gross tons and 42,923 net tons, were built in Canada and registered during the year 1925, according to the Department of Marine and Fisheries. Wood vessels built consisted of 140 sailing, 9 steam and 132 motor, and metal vessels of 5 sailing and 8 steam. Of the total tonnage 21,448 was attributable to British Columbia, 11,251 tons to Ontario, 7,670 tons to Quebec and 2,102 to Nova Scotia.

United States settlers continue to cross the border in large numbers despite the lateness of the season. November figures issued by the Department of Immigration and Colonization show that the Government Agency at Fargo, N.D., forwarded 123 settlers and seven cars of effects, compared with 105 settlers and four cars in the same month last year. The Kansas City Agency sent 11 settlers, as compared with four last year and the Detroit Agency sent sixty, an increase of over 200 per cent. over November, 1925.

MASONIC LODGE
MEMBERS INSTALLATION

(Continued from Page 1)
the honor of the evening in this regard and his talk in behalf of the visitors—when King Solomon Lodge had treated so generously and had welcomed so heartily—was fully endorsed by every visitor present.

Rt. Wor. Bro. Waddle, P.D.D.G.M. Wilson District No. 6, said it was a great pleasure for him to come to Jarvis and assist Bro. Martin with the ceremony of installation. It had been 21 years since he had been elected D.D.G.M., and he still had a lot to learn about the Craft. He spoke especially to the officers who had just been installed, and he wanted them to realize that the office that they held was worthy of their best endeavor. It was an honor to be elected or appointed to an office in a Masonic Lodge, and the Bro. honored the office only in proportion as he used his talents to fill that office to the very best of his ability. He congratulated all the officers. It augured well for the future of Masonry in Jarvis to see the chairs filled by such promising young men and he urged all to rally round the officers and give them every possible assistance and encouragement. Mr. Waddle paid his word of tribute to the Deputy Grand Master, who he had been privileged to assist on various occasions. It was indeed a great pleasure for him to accompany the Rt. Wor. Bro. to Jarvis this evening, and he hoped that King Solomon Lodge would enjoy a wonderful era of prosperity throughout this and the years ahead.

The toast list concluded, a few timely remarks from the newly installed Master, and a happy evening was brought to a close at the midnight hour with the singing of "Auld Lang Syne," which followed the Junior Warden's toast "Happy to meet, sorry to part, happy to meet again."

At the meeting of King Solomon Lodge on Monday evening, the Brethren did not overlook congratulations to Councillor Lea Marshall, his old Port Dover friends joining in extending the glad hand.

Mr. and Mrs. Robt. Horne had as New Year's guests: Mr. and Mrs. MacDougall and son Bobbie, of Hamilton; Mr. and Mrs. Bruce Horne and daughter Barbara, of Detroit; and Miss Florence Horne, of Simcoe.

Mr. and Mrs. J. W. Biggar, of Mt. Hope, spent New Year's with Mr. and Mrs. R. A. Walter. Margaret and Lorene who have been spending the holidays with their grandparents, returned with them.

JANUARY "ROD AND GUN"

An announcement of importance and of interest to the sporting and general public is contained in the January, 1927, issue of "Rod and Gun" to the effect that the well known sporting magazine has been accepted as the official organ of the Canadian Silver Fox breeding industry. With the January issue, the magazine has become "Rod and Gun and Canadian Silver Fox News" and it is announced that each month, the magazine will carry in addition to its regular sporting and outdoor features, a full section of sixteen pages, devoted to the interests of the silver fox and fur breeding industry.

The change is made as a result of the rapid growth of the Canadian Silver Fox Breeders' Association and a desire of the 3,500 members to have an official organ to assist them.

The first Silver Fox section is a very promising one. The special editor, J. R. Barr of Summerside, has presented a good selection of fox news and photographs and the account of the fox exhibits at the Royal Winter Fair, Toronto, is particularly good.

The regular magazine has a very good table of contents for January with stories and articles on hunting, fishing, trapping and kennel and outdoor subjects.

"Rod and Gun and Canadian Silver Fox News" is published monthly by W. J. Taylor, Ltd, Woodstock, Ont.
