FLEMING—McBRIDE

A quiet wedding took place at St. Andrew's Presbyterian Manse, Hagersville, on Saturday, January 8th. The happy couple were Miss Lillian Hazel McBride, younger daughter of Mr. Robert McBride of Walpole, and the groom, Mr. Joseph Warnock Fleming of the Sixth Concession, Walpole. The ceremony was performed by Rev. Austin L. Budge, M.A., minister of the church. They were attended by Mr. and Mrs. Albert McBride, at whose wedding these young people had performed a similar pleasant duty. After the marriage the bride and groom left by motor for a wedding trip.

Both are well-known and popular members of the Hagersville and Jarvis district and receive the best wishes of hosts of friends. They will reside on the Sixth Concession, Walpole.

FIRE DESTROYS W. AVERY'S GENERAL STORE IN CALEDONIA

A disastrous fire early on Sunday morning completely destroyed the general store of Wilson Avery. The fire was first noticed by Mr. Peter Anderson, who put in the alarm at 3:35 a.m. and with the quick response of the Caledonia Fire Brigade three lines of hose were laid and were pouring streams of water into the flames at the rear of the store, in five minutes after the alarm was given. The fire threatened to spread to nearby buildings. The roof caved in soon after the arrival of the Caledonia Fire Brigade, the fire having gained such a hold before being discovered and it looked impossible to save this entire block.

The Caledonia Fire Brigade under Chief T. Aldridge, did excellent work in confining the blaze to the one building and were greatly assisted by the Hagersville Brigade, who arrived at 4:30 a.m., taking only 22 minutes in responding to the call. The blaze was well under control before the arrival of Chief Wallace James and the Hamilton outfit, who also responded to a call for assistance. The Hamilton pumper met with an accident on arrival and was incapacitated from further use, but Chief James greatly assisted Chief Aldridge in directing the firemen.

With such a tremendous start it was at first feared that the entire block was doomed, and too much praise cannot be given the fire fighters' heroic efforts, fighting in zero weather in ice covered suits. By 6 o'clock the flames were finally conquered but the Caledonia boys remained on the scene throughout the day, pouring tons of water into the smouldering ruins.

It is stated that at 4 o'clock when the fire was at its height, it was a spectacular sight. The flames could be seen for many miles around, leaping into the air and casting a reflection into the sky. Owing, however, to a very poor fire alarm system, many residents were unaware of a fire in their midst and slept peacefully.

The general store of Wilson Avery

was a two-story structure and was formerly owned and operated by W. W. Brown. Mr. Avery is at a loss to understand how the fire started as when he and his clerk left at midnight everything was in perfect order. Mr. Avery's loss is estimated at \$32,000.

C. H. Marshall's store next door, on the north, was damaged somewhat, his loss being estimated by fire to his building \$2000, by water and smoke to his stock \$1000.

The apartment above Marshall's store, occupied by G. A. MacGregor, suffered damage by water and smoke to the extent of \$800.

Mr. A. E. Jones' cellar by water estimated damage \$50.

On the south side, the apartments occupied by Mrs. Halfpenny and Mr. and Mrs. Sudron, were unaffected by the fire. In removing their furniture some damage was done to their furniture, however, as well as some damage by water.

In Mr. McCall's drug store on the opposite side of the street a window was broken by heat, estimated \$50.

General satisfaction is now expressed with the purchase of the new motor fire engine of some months ago, as the town was up to then without adequate fire protection. A new fire alarm will now have to be purchased to make it complete and is an absolute necessity.

In viewing the ruins one wonders how such a clean sweep could be made of one building in the block, without further damage, and too much praise cannot be given to our Fire Department, who in turn are loud in praise of the assistance rendered from outside, especially Hagersville firemen—Grand River Sagem.

THE ONTARIO OLDER BOYS' PARLIAMENT

During the past Christmas week the Sixth Ontario Older Boys' Parliament convened in the Provincial Legislative Buildings, Toronto, for the purpose of planning for co-operative boys' work during the current year of 1927.

Contrary to popular belief, this Boys' Parliament is not a child of the senior Provincial Parliament. Excepting form of procedure, it has nothing in common with that body. And, rather than being simply a training school for clever young politicians, this assembly of youth was founded on the desire to find the best means of carrying on Tuxis and Trail Ranger activities among the teen-age boys of Ontario.

It takes a deeper impetus than the lure of a little training in Parliamentary etiquette, or that of a little fun amid the attractions of Toronto, to bring these one hundred and thirteen boys, many of them hundreds of miles, to spend their Christmas holidays in the Parliament Buildings at Toronto.

One of the big things this body of youth does, is to send back to the different ridings in Ontario, boys who are really seized with the realization of the responsibility evolving upon them, as members of the Boys' Parliament, boys who are seized with the ambition of making Tuxis mean something to the boys in the county which each represents. Each member goes home dead set on driving more boys into the great Tuxis family and fired with the ambition of helping them to live up to the Christian ideals embodied in the acts and lives of the members of the Sixth Ontario Older Boys' Parliament.

NANTICOKE CLUB HOLDS ANNUAL BUSINESS MEETING

The Nanticoke True Canadian Club held their annual business meeting in the town hall, Nanticoke, on Friday, January 7th, with an attendance of 60.

The meeting was opened by the National Anthem, with President Harry Pratten in the chair. The President opened his remarks by thanking the members of the club for their loyal support during the past year, which all tended to make the club's year educational and interesting. After briefly summarizing the year's activities, made a plea for closer relationship among the club members, maintaining that this was the first step toward true co-operation. He also reminded the club of the wonderful possibilities of organized agricultural and community clubs. He then thanked the club for the privilege of being their leader for the past two years, and wished them a very bright and prosperous New Year.

Harvey Vokes then took the chair for the election of officers, which resulted as follows:

- President—Russell B. Hare
- 1st Vice Pres.—L. Harvey Evans
- 2nd Vice Pres.—P. Allan Doughty
- Sec.—Treas.—M. Jean Oakes
- Pianist—Cora M. Henning
- Press Reporter—H. M. Pratten.

Each officer elected thanked the members for the honor and solicited their support to make this year the most successful in the club's history.

An interesting program was handed to the new president, consisting of: Community Singing; reading, G. E. Marshall; report of the annual convention of the U.F.Y.P.O. held in Forester's Hall, Toronto, on Dec. 18th, by the delegate, Mr. John Vokes. Mr. Vokes gave a very complete and interesting report, pleading for confidence in the great United Farmers' movement. His report was appreciated by all. Next came a duet by Donald and Margaret Kendry and a reading by Ethel Marshall. An excellent lunch was served by the Lunch Committee, followed by a few hours' dancing, which was enjoyed by all.
