Nanticoke, entertained a number of Jar-
vis people on Wednesday evening to
progressive euchre, all having a most
enjoyable time.

The Nanticoke W. I. held a social
evening in the Town Hall on Friday
last. Mr. D. L. Brontmier very ably
acted as chairman for the occasion.

The meeting was opened by singing
the "Ode." The minutes of the last
meeting were confirmed. The Nanti-
coke Quartette, along with Miss Cora
Henning, kindly furnished the music.
Mr. Russell Hare also gave a reading.

The main feature of the program
was a humorous as well as interesting
debate. — Resolved, that Men Spend
More Money and Time on Their Own
Pleasure Than Do Women. The af-
firmative side was supported by Miss-
es Lillian Werner and Ethel Vokes;
the negative by Messrs. Harvey Ey-
ans and Lorne Henning. After care-
ful consideration the judges gave the
verdict as a "tie."

Euchre was indulged in by the older
people, while the Lindsay Orchestra
furnished music for a couple hours of
dancing.

The February meeting will be held
at the home of Mrs. J. F. Jackson.

serious business proposition in the
vicinity of Kelowna, B.C. Two hun-
dred acres will be planted out at
Keremeos, Cawston, Oliver and
Osogood next year, while the acre-
age at Kelowna will also be in-
creased.

Nova Scotia breeding hens are be-
ginning to attract the attention of
Great Britain. John R. McMullen,
of this city, has just shipped to
Chivers and Son, Cambridge, Eng-
land, four barred Plymouth Rock
cockerels. This is the second ship-
ment of breeding stock made to this
firm.

Curling history of a unique na-
ture was made in Quebec city re-
cently when the Jacques Cartier
Curling Club, the first French-
Canadian curling organization in the
world, was inaugurated and their
new curling rink formally opened.
A delegation of seventeen promi-
nent Montreal curlers, headed by
T. Howard Stewart, Thane of
Granite Curlers, arrived back at the
Windsor Street Station from the
Ancient Capital recently, where they
officiated in the opening ceremonies
of the new club in the neighboring

The World's Poultry Congress to
be held at Ottawa July 27th to Aug-
ust 4th next is to be a big affair in
every sense. Floor space will be
more than 200,000 square feet; the
national educational exhibits utiliz-
ing 55,000 of that footage. There
will be approximately 10,000 live
birds on exhibit, of every breed and
variety. Commercial exhibits will
be a main attraction and one firm
making incubators has already con-
tracted for 7,000 feet. Among the
European countries that have de-
cided to take part in the Congress
are: Germany, Roumania, Italy,
Russia, Denmark, Poland, Belgium,
Holland, Spain and Latvia.

Skiing in the Laurentians is be-
coming ever-popular in Quebec. To
cope with the greatly increased
traffic of winter sports lovers the
Canadian Pacific Railway Company
are operating special trains into
the mountains during the week ends,
from January 9 to March 13. Cana-
dian winter sports are attracting a
great number of Americans of late.
This was evidenced by the in-rush of
visitors at the Chateau Frontenac
at Quebec city, who came across the
border during the Christmas and
the New Year's season.

Beaver trapping will be permitted,
under an order-in-council just issued,

the close season, which now holds
for the whole province and for the
whole year, will be opened for four
months, January 1 to April 30.

The classic dog sled derby of the
East is drawing near. On February
21, 22 and 23 some of the most
famous huskie teams in Amer-
ica will battle for supreme honors
at Quebec city in the Eastern In-
ternational Dog Sled Derby. The
total distance of the race is 12
miles. Cruelly to the dogs dur-
ing this hard grind is eliminated
owing to the fact that the rules re-
quire that any dog unable to finish
the race must be carried on the dog
sled to the finishing post. The first
prize is \$2,000 cash. A grand mas-
querade ball at the Chateau Fron-
tenac, the general headquarters of
the winter sports season, will be the
finale of the Dog Derby.

Limited, will be held at Hager's Hall,
Hagersville, on Thursday, January 27,
1927, at 1:30 p.m., for the purpose of

JANUARY "ROD AND GUN"

An announcement of importance
and of interest to the sporting and
general public is contained in the
January, 1927, issue of "Rod and
Gun" to the effect that the well
known sporting magazine has been
accepted as the official organ of the
Canadian Silver Fox breeding in-
dustry. With the January issue, the
magazine has become "Rod and Gun
and Canadian Silver Fox News" and
it is announced that each month, the
magazine will carry in addition to
its regular sporting and outdoor fea-
tures, a full section of sixteen pages,
devoted to the interests of the silver
fox and fur breeding industry.

The change is made as a result of
the rapid growth of the Canadian Sil-
ver Fox Breeders' Association and a
desire of the 3,500 members to have
an official organ to assist them.

The first Silver Fox section is a
very promising one. The special
editor, J. E. Barr of Summerside, has
presented a good selection of fox
news and photographs and the as-
sault of the fox exhibits at the Rey-
al Winter Fair, Toronto, is particu-
larly good.

The regular magazine has a very
good table of contents for January
with stories and articles on hunting,
fishing, trapping and kennel and out-
door subjects.

"Rod and Gun and Canadian Silver
Fox News" is published monthly by
W. J. Taylor, Ltd., Woodstock, Ont.
