Canada's net debt was reduced \$42,000,000 during the past fin year, a reduction in the national debt larger than any in its history.

"The Royal York" is the name chosen by President Beatty for the new Canadian Pacific hotel to be erected at Toronto. It associates the new hotel with the early history of that city.

Canadian Pacific Railway en-gineers, now busy with their pre-iminary survey of the projected railway to Chicoutimi and the Lake St. John district, are at present studying the question of a terminus

An aviation field available to commercial flying is to be prepared at Lethbridge, Alberta. The new field, which will be wide enough to allow ten planes to lie abreast, will also be used for aerial mail service.

A large party of professional men will leave for a tour of the west over Canadian Pacific lines, on the third annual tour conducted under the auspices of the University of Montreal. The party will spend about two weeks in the Rockies.

The second regular journey to Canada of the Canadian Pacific steamship "Empress of Australia," will be distinguished by the presence on board of that ship of the Prince of Wales and Premier Stanley Baldwin, of Great Britain.

Col. J. S. Dennis, chief commissioner of the Department of Colonization and Development, Canadian Pacific Railway, predicts a much larger immigration movement to Canada this year than last. He explained that the reported congestion of farm workers in the western towns was transient and not likely to recur.

What is said to be the first instance of Canadian-made machinery being shipped out of Canada into the States - manufactured in Canada to American order - is that of nine large wood pulp grinders, of an output of 100 tons of pulp a day, now ready at the plant of the Port Arthur Shipbuilding Co. for consignment to the St. Regis Co., Watertown, New York
