The garden party held at the home of Messrs. J. and B. Hair, by St. Paul's church, was a decided success. There was a very large crowd, and the program given by the Alliance Kiddies of Hamilton, assisted by Mrs. Guy Leathong and other local talent, was very entertaining. About \$125 were realized. The members wish to thank all who assisted in making the garden party a success.

The Canadian Pacific liner "Empress of Australia," which played so active and conspicuous a part in rescue work after the Tokio earthquake, is now transferred from the Oriental to the St. Lawrence route.

The output of coal from Canadian mines during April last was 45 per cent. greater than the average for April in the past five years, the figure for April last being 1,312,875 tons, as against a five-year average of 907,238 tons.

Over 30 prominent British bowlers arrived in Canada on the Canadian Pacific liner Melita coming to tour this country at the request of the Dominion Bowling Association. Test matches will be played at numerous points across the Dominion.

Extension of trade between the United Kingdom and Canada is the professed object of Theo. Feilden, director-general of the Empire Trade League and editor-in-chief of the Empire Mail of London, who arrived aboard the Canadian Pacific liner "Empress of Australia," recently.

Fry to the number of 185,000 have been put in the rivers west of here, with the 60,000 which Fisheries Inspector Martin, of Banff, has just planted. The fry were conveyed in large cans, 5,000 to the can, travelling 140 miles with only one death. The fry are of the brown trout variety.

The Western Canada Dairy Convention which includes all dairying interests in the four Western Provinces, will be held in the Hotel Saskatchewan, Regina, from February 7th to 10th next year. This Association will be hosts to both the inter-provincial gathering and the annual provincial dairy convention of Saskatchewan.

The new mammoth pier of the Canadian Pacific Railway was officially opened recently as a feature of Greater Vancouver's celebration of the Diamond Jubilee of Confederation. Numerous mayors and officials of United States and Canadian Pacific coast ports added an international note to the ceremony.

Raising reindeer for commercial purposes in Canada will be undertaken this year by the Dominion Reindeer Co., with headquarters at Vancouver; the company having imported some 5,000 head of reindeer from Alaska. This herd will be located on the vast grazing areas between the Athabaska and Great Slave Lakes on three million acres secured for that purpose.

H. W. Lennox, Inspector for the Dominion Forestry Branch at Indian Head, says: "The demand for trees has been insistent from all over the west. This year we have orders for 8,000,000, as against 6,000,000 in 1926." Following his tour of the west, he said: "I find generally a more settled feeling. People are planning for the future. The old days, when farming was a here today and gone tomorrow affair, have disappeared. Farmers are planting trees, and wherever a grove of trees is found, there you will find contented homes."

During the year 1926 about 7,500 five tones of an average value of \$300 each were reported by six farmers of Prince Edward Island. They also sold about 20,000 fox skins at an average price of \$100 each, so that the fox farming industry in the province has yielded a revenue of about two million dollars.

The Forest Service of the Department of the Interior, through the forest nursery stations at Indian Head and Sutherland, sent out 5,512,245 little trees for planting on the prairie farms, during the season of 1926. Since the beginning of this work in 1901 the total number of trees so sent out has been a little over 87,500,000.

The Canadian Pacific liner S.S. "Montroyal" sailed from New York recently on her eleventh cruise to the West Indies, carrying about 350 passengers from all parts of Canada and the United States. The cruise will occupy four weeks, with the liner stopping at fourteen ports in the West Indies, the Mainland of South America and the Panama Canal zone.

Announcement was made at Canadian Pacific Railway headquarters in Montreal to the effect that Charles Edward Phelps, formerly city passenger agent of the company at Washington, has been appointed general agent passenger department, rail and steamship lines, Washington, D.C. Mr. Phelps has been serving the Canadian Pacific from Washington since 1916.

Fifty Hebridean and Northern Irish families will be established in a new colony at Saddle Lake, early this spring. This will be the second settlement of its kind in this province—the first having been established north of Vermilion. Buildings are now being erected on fifty farms at Saddle Lake and it is expected that new arrivals will take over holdings there just as soon as necessary arrangements can be made.

Thirty members of prominent industrial, social and athletic groups in Detroit, travelling C.P.R. under the auspices of the Detroit Athletic Club, took a week's winter trip to Quebec for the purpose of enjoying the seasonal sports. They stopped at the Chateau Frontenac in Quebec City and stopped at Montreal and Ottawa to see their N. H. L. hockey team play Montreal Maroons and Ottawa Senators.

Donald B. McMillan, noted Arctic Explorer, gave his first Canadian lecture on the North Pole and regions adjoining, at Montreal recently. Mr. McMillan showed some remarkable slides of brilliant Arctic flowers which grow during the brief Polar summer. He also expounded the common belief that Eskimo women are not beautiful, showing pictures of some that might have posed for the movies.

Quick work on the part of the C.P.R. investigation department and the honesty of a Red Cap recovered an American \$500 bill for its loser, B. S. Nauer, public accountant of New York, recently. Mr. Nauer pulled it out of his pocket in getting some small change and it fell to the floor of the concourse of the Montreal C.P.R. station. The Red Cap picked it up and handed it to the station master. When Mr. Nauer made enquiries, a few minutes later, it was handed to him. He gave the Red Cap the handsome tip of \$100.

The official visit to Canada of the Gentlemen of His Majesty's Free Chapel of St. George, in Windsor Castle, and of the boy choristers of Westminster Abbey, who are giving song recitals across Canada from Fredericton to Vancouver and back, is made with the approval of His Majesty the King. They arrived at Saint John on the Canadian Pacific liner Montrose and travelled C.P.R. across the Dominion, giving their first recital at Fredericton and their second at Winnipeg. Their visit is more than a mark of inter-empire courtesy; it is a gesture that should do much to help the fuller realization of possessions common to Canada and Great Britain.
